If you have made a partial withdrawal during the current statement period, the before-tax amount is shown as a withdrawal on page 1 of your statement.

Please refer to your *PAYG payment summary*, which was enclosed with your benefit payment letter, for details of the amount of tax deducted from your benefit payment (if applicable).

Indirect costs of your investment: \$134.29 - this approximate amount has been deducted from your investment and includes amounts that have reduced the return on your investment but are not charged directly to you as a fee.

For the 12 month period 1 July 2013 to 30 June 2014:

- investment management fees are estimated to range between 0.06% and 0.73% (0.59% for the Balanced option).

Total fees you paid: \$212.29 - this approximate amount includes all the fees and costs that affected your investment during the period (not including insurance premiums and any adviser service fees paid).

The closing balance (withdrawal benefit) shown on this statement is calculated as at 30 June 2014. Your withdrawal benefit will change with subsequent transactions such as contributions, fees, costs, insurance premiums and investment returns (which may be positive or negative). Before withdrawing your benefit, please contact us to find out your balance at the time of the withdrawal. A \$35 withdrawal fee will apply.
