Dear Mr Reddy

New claim required

Claim number: 12110064486

Worker name: Sivakumar Reddy

Employer name: ADECCO INDUSTRIAL P/L

Date of injury: 19/01/2012

I am writing to you about your claim for reimbursement for medication receipts (as attached).

Please refer to the prior notice dated 19 June 2014 which was sent to you advising that a new claim will need to be lodged.

This current claim, as above, is for an incised wound to your right hand. However, according to the letter dated 4 June 2014 from Dr Madumathi Mudiyansele, you had sustained a new injury at work on 12 February 2014 to your neck, back, shoulder and left arm. Furthermore, Dr Mudiyansele notes that there was a further exacerbation.

QBE Workers Compensation (Vic) Limited (QBE) has reviewed your claim and considers the medications purchased do not relate to your compensable injury for this claim. You will need to lodge a new claim related to your more recent injury, and when lodged, QBE will consider whether it will be accepted, and if the medication purchased is appropriate for the new claimed injury.

If you consider the medication is related to this claim, please provide clinical rationale from your treating doctor as to how it relates to your compensable injury.
