Dear Bharathi ,

You recently attempted the Accounting Concepts and Principles exam and unfortunately you did not pass.

All candidates have a maximum of four (4) attempts to pass an exam. You now have two (2) attempts remaining for Accounting Concepts and Principles.

To re-enrol this year for this exam, you will need to allow a minimum of 30 days between exam attempts. We encourage you to enrol and schedule your exam appointment as soon as possible as places are filling up quickly at the end of the exam window and we are unable to guarantee a place in the last few weeks of exams this year.

To support you during your studies, there are additional learning support options available for candidates including some great study and exam tips. Please visit cpaaustralia.com.au/learningsupport

If you have any questions, please call or email your local CPA Australia office. Please visit cpaaustralia.com.au/contact

Best wishes with your future studies.

Kind regards,

Richard Brown
CPA Program Manager
