News from La Trobe University

➤ **Reminder: Aspire – Early Admissions Program**

La Trobe University is introducing a *new Early Admissions Program – Aspire*. This program is aimed at recognising students who are or actively involved in the positive impact of *community service* and non-academic school commitments, such as leadership, sport or cultural activities. Applicants for this program will be assessed on these criteria and not just ATAR scores. The assessment criteria will include –

- A recommendation by the Principal (or their nominee)
- A written statement where the student indicates the activities they have been involved in, and the impact these activities have had on their community

Key dates

Applications Opened - 1 July, 2014

Applications Close - 31 August, 2014

Outcome - beginning of September 2014

The **Aspire Program** is on offer across all La Trobe courses and campuses, and applicants will apply in July and receive conditional offers will be made by September and will be based on the assumption that the student meets the minimum ATAR of 50.3 with the exception of certain professional degree programs - visit www.latrobe.edu.au/aspire

Bachelor of Business (Sport Management)

For details regarding research opportunities, partnerships with sporting teams, and scholarships available visit <http://www.latrobe.edu.au/sport>

➤ **VCE Plus**

This is your opportunity to experience life at La Trobe University, add to your ATAR and challenge yourself academically.

VCE Plus is an opportunity for high achieving

VCE students to complete two first year university subjects and have them recognised as part of their VCE. Students enrolled in VCE Plus choose a pair of first year university subjects to study whilst completing Year 12 (one subject per semester). **VCE Plus** is offered at all La Trobe campuses and subjects are delivered online, face-to-face, or a combination of both.

ATAR Bonus

VCE Plus subjects have been approved by VCAA and will count as Unit 3 and 4 sequences as part of VCE, contributing to the ATAR score. To receive the ATAR bonus, satisfactory completion of both **VCE Plus** subjects must be achieved. The **VCE Plus** subjects will contribute as a 5th or 6th study increment.

For a quick glance of **VCE Plus** subjects on offer, visit <http://www.latrobe.edu.au/study/vce-plus/vce-plus-subjects>.

Applications are now open, and close 30 November 2014. Find out more at <http://www.latrobe.edu.au/study/vce-plus>

The Monash Guarantee

Students who are financially disadvantaged, Indigenous Australians or completing Year 12 at a Monash under-represented school could be eligible for a guaranteed place at Monash – even if their ATAR is below the Clearly-In.

The Monash Guarantee is available for a range of identified courses, across all faculties at Monash. For eligible students who have met all course prerequisites and extra requirements, the **Monash Guarantee** provides:

- ✓ a guaranteed offer for courses where selection is based on ATAR only
- ✓ a guaranteed interview for MBBS if you meet the ATAR and UMAT requirements
- ✓ a guaranteed interview OR guaranteed offer (if you have already passed the interview/audition requirements) for courses where selection is based on a combination of ATAR and interview/audition

To find out more including a list of eligible courses, visit <http://www.monash.edu.au/study/options/guaranteed-entry/>

Cadetships in Logistics

The **Victorian Transport Association (VTA)** offers a two-year ***Cadetship Program*** for students keen on working in a logistics company. Cadets study a Certificate IV in Logistics and a Diploma of Logistics, while earning a full-time wage. They attend eight, one week blocks of training each year, conducted at TAFE. Training is completed by workplace assignments and assessments. Cadets are rotated through different areas of the business and each cadet is assigned a workplace mentor. The next intake is due to commence in March 2015, and the completion of Year 12 is required for applying for this cadetship.

For more information contact the Victorian Transport Association (VTA) on (03) 9646 8590, email cadetship@vta.com.au or visit www.vta.com.au.

Relocation Scholarship to University of Tasmania (UTAS)

The **University of Tasmania (UTAS)** invites the best and the brightest from across Australia to apply for a ***Relocation Scholarship***. The scholarship is designed to encourage high achieving interstate students to study Law at the University of Tasmania by assisting with the financial costs of moving to Tasmania. The scholarship consists of a once-off payment of approximately \$5,000 and is awarded automatically to eligible students who accept an offer and enrol to study law at UTAS.

To be eligible to be considered for this scholarship, students must –

- ✓ Be a new/commencing University student
- ✓ Have recently completed year 12
- ✓ Have achieved an ATAR of 90 or above (or the equivalent)
- ✓ Are enrolled in a direct entry Bachelor of Laws or Combined Degree with Law at the University of Tasmania as of the applicable census date

For further information please contact the Faculty of Law Executive Officer at Kira.White@utas.edu.au or visit <http://www.utas.edu.au/law/scholarships/relocation-scholarship>

Advanced Diploma of Engineering Pathway to Deakin

Box Hill Institute's *Advanced Diploma of Engineering* course has an articulation with Deakin University. On successful completion of this course students will receive 18 months credit, and are eligible to enrol directly into the fourth semester of the Bachelor of Mechanical Engineering at Deakin University.

This course also leads to further studies at other higher educational organisations, and students may receive 1 year to 18 months credits for a four year mechanical engineering degree. The VTAC Code for this advanced diploma is 5100251414.

For more information visit <http://www.bhtafe.edu.au/courses/local/Pages/ENG54.aspx> or call 1300 BOX HILL (1300 269 445).

Ecotech Technical Cadet Program

Ecotech is an Australian owned company that provides comprehensive solutions for pollution monitoring needs. It specialises in ambient air, emissions, dust, process gas, water and blast monitoring solutions. Ecotech manufactures and exports air monitoring instruments and systems throughout the world.

Ecotech offers a structured 3 - 4 year cadet program where students have the opportunity to combine their studies with paid work experience. The cadetship program runs in conjunction with the student's final year of secondary school.

The first year of the program is based on a structured workplace learning arrangement with the student and the school (a few hours every fortnight), and once the student is at university, the program will be based on industry based learning with the student and tertiary institute. Ecotech will contribute 50% to the successful applicant's university fees on successful completion of each unit/semester, and will also pay above the award wage to the successful applicant.

Current Year 11 students are eligible to apply and applicants should be technically minded, with an interest in the environment. They should also be thinking of studying an engineering or technology discipline at university. Applications close on 24 October 2014.
