

Dear Parent/Guardian,

We at Lyndale Secondary College are committed to providing our students with a dynamic learning environment and engaging curriculum aimed at developing the capacity of every student to exceed their personal best.

In order to design curriculum that effectively addresses the needs of all students at Lyndale Secondary College in line with Department requirements and research on innovative teaching and learning, we will be re-structuring the college week, starting Term 2 2014. Every Thursday, students will run on an alternate timetable that will see them dismissed at 2.15 PM while still having the required 300 minutes of instructional time. Every other day in the timetable will remain the same – only Thursday will be different.

This is what the Thursday timetable will look like:

THURSDAY TIMETABLE		
Period	Start-Finish Time	Instructional Time
Form Assembly	8:40am - 8:48am	8min
Period 1	8:48am - 10:01am	73min
Period 2	10:03am - 11:16am	73min
Recess	11:16am - 11:47am	31min
Period 3	11:47am – 1:00pm	73min
Period 4	1:02pm - 2:15pm	73min
Staff Lunch	2:15pm – 2:45pm	30min
CURRICULUM WRITING	2.45pm – 4:45pm	2 hours

The school bus will run early every Thursday to accommodate the 2.15 PM conclusion of the school day. Provisions for the supervision of any students who are unable to go home at that time or those who are required to collect younger siblings from Primary School will be made.

We welcome any questions you may have in relation to the development of Learning Landscape of Lyndale Secondary College.

Kind Regards,

Kerry Hayhow
College Council President
