About VICTER

VICTER is published by VTAC for Year 10 students who are considering applying for tertiary study in 2016.

It is written to help Year 10 students make choices about their Year 11 and 12 studies so that they can plan their pathways towards tertiary study.

VICTER provides information about entrance requirements for courses commencing in 2016 in universities, TAFE providers and independent tertiary colleges that participate in the VTAC system. Each institution which accepts applications and offers through VTAC has listed the courses it plans to offer in 2016 (as at 28 June 2013). For each course that has prerequisites, the institution lists the prerequisites and the selection criteria.

Courses without prerequisites are listed under each institution. There are hundreds of courses in the VTAC system without prerequisites.

Institutions may amend their 2016 course prerequisites up until 31 August 2015. This online publication will be updated regularly so students can access the most up to date course prerequisites.

It is important to note that changes are only permitted in the following circumstances:

- Addition of prerequisite subjects as alternatives to those prerequisite studies already published.

Information for courses at institutions where applications are through VTAC is available in section one under courses and institutions.

VICTER also lists institutions which administer their own applications and offers but promote their courses through VTAC. These institutions are listed in section two under courses and institutions.

Refer to CourseSearch on the VTAC website for a more extensive list of the types of courses available through VTAC and directly. Refer to the major studies index available in the current VTAC Guide and on page 54 of this publication.

The important thing to remember is that the study choices you make now are not binding for life and, like most of us, you will probably make several different work and career choices throughout your life.

Study choice is a personal decision and requires you to think carefully about what you are good at, what you are interested in and what studies help keep your options open.

Information is correct at the time of publication. Any changes will be notified to schools in VTAC Bulletins, in this online publication and through VTAC's blog and Facebook pages.

Please note that the inclusion of course information in this document does not guarantee:

- the course will be available in 2016
- the course will be available at the published campus
- the course name will remain the same.

Enquiries about any information in this publication should be directed to the Deputy Director Information and Publishing Services, VTAC.

Some hints to help you choose your VCE study program:

Do:

- think about what interests you and what you like doing
- check out the VCE studies your school is offering
- talk with your careers teacher and/or VCE coordinator
- keep your options open
- log on to VTAC CourseLink to start researching the types of courses you are interested in
- attend Open Days.

Don't:

- panic if you have no idea what studies to take up
- choose studies you don't like just because you think doing those studies will help you get a good ATAR—your ATAR represents your performance across all of your studies
- choose studies based on their scaling. There is no point selecting a study that you struggle with simply because it has traditionally been scaled up. You will get higher scores in studies that you like and are good at, even after scaling.

For further information about study selection and scaling refer to Choice or the VTAC website

Terms and definitions

AMEB	Australian Music Education Board
ATAR	Australian Tertiary Admission Rank
English (any)	Units 3 and 4 includes English, English as an Additional Language (EAL), Literature, English Language.
EAL	English as an Additional Language
GAT	General Achievement Test
Languages	Languages Other Than English (previously known as LOTE)
LOTE (FL)	LOTE as a First Language
LOTE (SL)	LOTE as a Second Language
Minimum ATAR	Some courses will specify a minimum ATAR as a prerequisite. An ATAR below the specified minimum means that you have not met the prerequisite for that particular course.
Prerequisite	Prerequisite studies are those VCE studies that you must have successfully completed in order to qualify for a course.
VTAC Scaled Study Score	A score from 0.00 to 55.00, determined by VTAC, which shows how you performed in a study, relative to all students doing all studies. It is based on the Study Score, but also uses the performance of the entire study compared to other studies.
Study Score	A score from 0-50, determined by the VCAA, which shows how you performed in a study, relative to all other students doing that same study. It is based on your results in school assessments and examinations.
TAFE	Technical and Further Education
VCAA	Victorian Curriculum and Assessment Authority
VCAL	Victorian Certificate of Applied Learning
VCE	Victorian Certificate of Education
VCE Languages	Languages Other Than English (previously known as LOTE)
VET	Vocational Education and Training
VFE	VET and Further Education
VICTER	Victorian Tertiary Entrance Requirements
VRQA	Victorian Registration and Qualifications Authority
VTAC	Victorian Tertiary Admissions Centre
VTAC Bulletin	A newsletter available online and through social media which contains updates to the VTAC Guide and tertiary entrance requirements.
VTAC Guide	The VTAC publication that lists the courses available for application. This year's edition is The VTAC Guide 2014.

Entrance requirements

This section provides information about tertiary entrance requirements and the ATAR.

To be offered a place in a course you must:

- meet the minimum tertiary entrance requirements for Victoria
- meet any VCE prerequisites (or equivalent) for the course, and
- be selected in competition with other eligible applicants.

Minimum tertiary entrance requirements

Vocational education and Training VET: Certificate II and Certificate III

There are no set minimum tertiary entrance requirements for entry to Certificate II and III courses in VICTER 2016, however institutional and course requirements still apply.

Minimum tertiary entrance requirements for general entry are outlined below.

Vocational education and training VET: Certificate IV, Diploma, Advanced Diploma

For Year 12 students, the minimum tertiary entrance requirement for VET courses available at TAFE providers and independent tertiary colleges is:

The satisfactory completion of both the VCE # and Units 3 and 4 English (any)* or equivalent senior secondary completion such as Senior VCAL or literacy requirements as stated in VET Training packages/curriculum. VET courses are displayed with this colour:

■ Vocational Education and Training Qualification

Higher education

For higher education courses the minimum tertiary entrance requirement for courses available at university, independent tertiary colleges and TAFE providers is:

The satisfactory completion of both the VCE[#] and Units 3 and 4 English (any)* or equivalent.

Note: Some institutions may accept applicants with equivalent senior secondary completion such as Senior VCAL—check with individual institutions for their entrance requirements. Higher education courses are displayed with this colour:

■ Higher Education Qualification

[#]VCE VET qualifications, including block credit granted for VET or Further Education training, may contribute to the award of the VCE.

*Any of the four VCE English studies—English, English (EAL), Literature or English Language—satisfies the requirement for English (any), however Units 3 and 4 must be completed in sequence and in the same calendar year (unless granted interrupted study status by the VCAA in the studies concerned).

VCE = Victorian Certificate of Education

VCAL = Victorian Certificate of Applied Learning

Other qualifications

Applicants may be considered as satisfying minimum tertiary entrance requirements on the basis of other qualifications. These may include completion of:

- the International Baccalaureate Diploma
- overseas qualifications deemed comparable by VTAC to the required Victorian qualifications.

Victoria uses the home state rule for determining minimum tertiary entrance requirements for interstate applicants. The rule states:

- If an applicant meets minimum tertiary entrance requirements for all institutions in their home state, they will meet minimum tertiary entrance requirements for all interstate Australian institutions.

Note: For the purposes of ATAR calculation and university admission under the home state rule, Northern Territory and South Australia are combined and treated as a single entity. The eligibility requirements applied to students presenting the SACE will be applied to students presenting the NTCE.

VTAC automatically assesses these qualifications as part of the application process and advises appropriate course authorities of the status of any such applicants.

Refer to the Student Access function of VTAC CourseLink to view a list of interstate study equivalences.

Course requirements

A number of courses have requirements additional to the minimum tertiary entrance requirements.

These may be in the form of:

- Prerequisite studies
- Extra requirements

If you do not meet the prerequisite(s) for a course you may not be selected for that course, however your results will still be provided to the course selection authorities of each course to which you have applied.

Prerequisites

Units 1 and 2 prerequisites

If a course specifies Units 1 and 2 of a study as prerequisites, this means that a satisfactory result must be awarded in both Units 1 and 2.

Units 3 and 4 prerequisites

If a course specifies prerequisites for a study at Units 3 and 4, this means that a minimum study score will be specified.

Extra requirements

In addition to the requirements outlined above, many courses have extra requirements such as a folio, an interview, performance audition or completion of a questionnaire.

Details of course extra requirements are not contained in this publication, but will be available in course entries for 2016 available in July 2015. This is because extra requirements often include requirements that must be met on particular dates for the year concerned. As a guide however, you might like to refer to the current course entries using CourseSearch on the VTAC website.

How do institutions select applicants?

Approximately 50% of the courses accepting applications and offers through VTAC use a range of criteria that may include the ATAR as well as other factors such as interview, folio presentations, pre-selection tests, additional forms and so on.

Australian Tertiary Admission Rank (ATAR)

What is the ATAR?

The ATAR is an overall percentile ranking reflecting a student's comparative Year 12 achievement compared to the relevant age group in a given year. The ATAR allows tertiary institutions to compare students who have completed different combinations of VCE studies. It is calculated by VTAC solely for use by institutions.

The ATAR is reported as a rank between 0.00 and 99.95 with increments of 0.05. An ATAR of 75.00 means that a student with that ATAR has achieved VCE results above 75% of the population of the relevant age group.

Eligibility for an ATAR

To qualify for an ATAR a student must:

- qualify for the VCE
- achieve study scores in at least four permissible Unit 3 and 4 VCE studies, including one from the English group.

Who receives an ATAR?

VTAC calculates an ATAR for all students who have qualified for an ATAR, however only those who apply through VTAC for tertiary courses and paid their VTAC processing fees receive an ATAR statement.

An ATAR will be calculated by VTAC for applicants when they first qualify for an ATAR. If you undertake further study in a later year and are awarded at least one study score or complete a non-scored VET sequence that entitles you to an additional VET increment, a new ATAR will be calculated. Ranking for courses will be based on the highest ATAR achieved.

You will receive an official statement containing your ATAR from VTAC at the same time that you receive study scores from the VCAA if you have applied for tertiary entry through VTAC.

Calculation of the ATAR

Your ATAR is developed from an aggregate produced by adding your results for up to six studies as follows:

- the VTAC scaled study score in one of English, English (EAL), Literature or English Language
- the three next highest VTAC scaled study scores permissible (which together with the English study make the "primary four")
- 10% of any fifth and sixth permissible scores that are available (these are called increments).

If you have more than six results, the six permissible results that give the highest ATAR are used.

Studies used in the calculation of the ATAR may be taken over any number of years; however the time taken to complete VCE studies may be taken into account by institutions when considering applicants.

You are then ranked in order of these aggregates—the highest rank being 99.95 and then decreasing in steps of 0.05. The group of students with the highest aggregates will be assigned the highest rank of 99.95. The lowest automatically reported ATAR is 30.00, with ATARs below 30.00 being reported as 'less than 30'.

Notional ATARs

Notional ATARs are used to rank applicants who either have previous Victorian Year 12 results (other than VCE results) or another qualification obtained in Victoria such as the International Baccalaureate. In the case of previous Victorian Year 12 results, a Notional ATAR is calculated using the same rules as for the ATAR. For other qualifications, different methods are used whilst still adhering to the same underlying principles. Further information may be obtained from VTAC.

Only Victorian IB students who sit the GAT and are VTAC applicants will be issued with a Notional ATAR statement.

Interstate use of ATARs

Victorian VCE applicants applying for tertiary courses in other Australian states will be considered on the basis of their ATAR.

Scaling study scores for the ATAR

In calculating study scores, the VCAA does not determine any measure of overall performance in the VCE, but rather the performance of each student in each individual study. In order to facilitate selection, institutions require an overall measure of the performance of students undertaking the VCE in all studies.

Before the scores of different VCE studies can be added together for the ATAR, they need to be scaled to take account of the different abilities of the students taking different studies.

The study score is not a score out of 50. It is a ranking or relative position which shows a student's performance compared with all other students who took that study in that year. A student with a study score of 30 is in the middle of the cohort, or has performed better than about half of all students. A student with a study score of 40 has performed better than about 91% of all students who did that study.

What this means is that the middle student in any study will have a study score of 30, regardless of how strong the other students were in the study and how difficult it was to achieve the middle ranking. This does not mean that some studies are inherently more difficult than others. In fact, most are designed to be of equal difficulty. However, the stronger the competition, the harder it is to achieve the middle score of 30.

So all study scores are scaled by VTAC before they are used to calculate the ATAR. Scaling adjusts the study scores in each study to take account of the strength of competition among students taking the study. The strength of competition in each study is measured by how well the students in that study performed in their other studies. The study scores are scaled so that the overall level of scores in that study matches the scores obtained by the same group of students in all of their other studies combined.

Once the study scores have been scaled, they are called VTAC scaled study scores. It is the VTAC scaled study scores that are used to calculate the ATAR. VCE studies are always scaled in the year in which they were undertaken (this may not necessarily be in the year in which you receive your ATAR).

By using VTAC scaled study scores, fair comparisons can be made of students' achievements over all their studies, regardless of the studies they have taken.

Because of this, students can freely choose studies they like or are good at without worrying about their ATAR.

This is not always well understood and many students believe that to achieve their best possible ATAR they need to choose studies that are scaled up. This is not true and may even work against you. Every year there are many students who achieve high VTAC scaled study scores for studies that have been scaled down, and achieve lower VTAC scaled study scores for studies that have been scaled up.

If you choose a study that you are not very good at simply because it will be scaled up, the study score you receive will be a lot lower than what you could expect in a study you are good at and that interests you. While your score will be scaled up, it is unlikely that your VTAC scaled study score would be any higher than if you had chosen a more suitable study, even one that is scaled down.

The way to ensure that you achieve your best ATAR is to choose your studies according to what you are interested in; what you are good at; and what studies you need for future study.

The calculation of the ATAR guarantees that all studies are treated equally and provides you with a common score for tertiary selection across Australia.

Studies with additional scaling

Mathematics

VCE Mathematics studies are designed to cater for students of differing abilities and interests. Specialist Mathematics is the most difficult, followed by Mathematical Methods (CAS) and then by Further Mathematics.

To ensure that students undertaking the more difficult mathematics studies are not disadvantaged, all three mathematics studies are scaled against each other as well as being scaled against all other studies. The higher of the two resulting scales is used.

Languages

As a result of government policy to encourage the study of languages, a further adjustment is made during the scaling process. Each VCE Language is adjusted up by adding five to the initial VTAC scaled study score average. All students of a VCE Language receive an adjustment, but it is not a uniform adjustment. For study scores at or close to 30, the adjustment is 5, but the adjustment decreases as the study score moves away from 30.

Studies used for the ATAR

Subject to the rules and restrictions that are described in the sections that follow, the studies that can be used for the ATAR are:

- All VCE Unit 3 and 4 sequences
- Vocational Education and Training (VET) Programs with Unit 3 and 4 sequences
- Approved Higher Education studies.

VET Programs

VET programs that contribute to the VCE are used in the calculation of the ATAR as follows:

VCE VET Unit 3 and 4 sequences with scored assessment:

- study scores are scaled and may be included in the calculation of the ATAR aggregate
- where a scored assessment is available and you decide not to take it, no increment will be available.

VCE VET Unit 3 and 4 sequences with no scored assessment available:

- may be counted as fifth and sixth studies. The increment will be 10% of the average of the primary four VTAC scaled study scores.

If you have completed two VET Unit 3 and 4 sequences deemed by the VCAA to be equivalent because of significant duplication only one result can contribute to the ATAR. If one sequence has scored assessment available, then your result in the scored sequence will be used in the calculation of your ATAR. If both sequences have scored assessment, then the higher result will be used. If neither sequence has scored assessment, one VET increment will be available.

Restriction on use of VET results within an Industry Area

Only in cases where no scorable sequence in an industry area has been attempted, can two VET increments from that area contribute to the ATAR.

Where a single scorable VCE VET sequence has been attempted in an industry area, then that result will be the first possible industry area contributor to the ATAR, and at most one increment can be added by non-scorable VET or VFE sequences in the same industry area.

Where two scorable non-equivalent VCE VET sequences have been attempted in an industry area, then those results will be the first possible industry area contributors to the ATAR, and at most one increment can be added by non-scorable VET or VFE sequences in the same industry area.

Where more than two scorable non-equivalent VCE VET sequences have been attempted in an industry area, then only those results will be possible industry area contributors to the ATAR, with at most two being permissible in the primary four and at most three being permissible in the ATAR.

It should be noted that VET sequences within the Information Technology industry area are also considered to be in the IT Studies study area, whilst VET sequences within the Music Industry area are also considered to be in the Music Studies study area.

Restriction on use of VFE Block Credit in the ATAR calculation where a student has previously been awarded an ATAR

In cases where a student was previously eligible for an ATAR, new VFE results only contribute to the ATAR when fewer than six VCE and VCE VET results are available.

Policy Update:

Contribution of VFE Block Credit towards the ATAR

The rule regarding the use of VCAA granted VFE Block Credit, at unit 3-4 level, was first implemented in December 2011. It stated that: When calculating an ENTER for a student who has previously been awarded an ENTER, previously obtained VCE and VCE VET results will take precedence over later VFE Block Credit results.

The rule was reviewed in 2013 by the VTAC Scaling Committee because of perceived unfairness and unnecessary complexity. As an example, two students with the same results apart from the year of their VFE block credit could receive different ATARs. Similarly, two students with identical results but in a different order may also receive different ATARs. This situation was considered unfair.

In 2013, the VTAC Scaling Committee simplified the rule so that it did not depend on the existence of a previous ATAR or the order in which studies results were achieved. It now states that: VCE and VCE VET results will take precedence over VFE Block Credit results. The amended rule will come into effect for the calculation of 2015 ATARs. The current rule will remain in place for 2014. Under the new conditions, VFE block credit can still be used in the calculation of the ATAR. However, it can only be used in the calculation of an ATAR if there are fewer than 6 VCE or VCE VET studies available. If there are 6 or more VCE or VCE VET studies available, a VFE block credit result cannot be used.

Approved Higher Education studies in schools

The VCAA provides for very able students to have an opportunity to undertake an approved Higher Education study as part of the VCE. Such studies are recognised as Higher Education studies contributing to completion of the VCE. Higher Education studies include first year university studies and advanced standing TAFE courses recognised by the VCAA and made available to VCE students who are very able academically and have the endorsement of their school principal.

If you are undertaking such a study, it may count as an increment (fifth or sixth study) in the ATAR provided that it is passed, that VCAA co-requisite or prerequisite conditions were met, and subject to the restricted study combinations below.

Upon satisfactory completion an increment will be awarded for the Higher Education study and will be determined as follows

- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 90, the Higher Education increment will be 5.0.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 80 but less than 90, the Higher Education increment will be 4.5.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 70 but less than 80, the Higher Education increment will be 4.0.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 60 but less than 70, the Higher Education increment will be 3.5.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 50 but less than 60, the Higher Education increment will be 3.0.

Restrictions on use of approved Higher Education studies in schools

If your ATAR incorporates a Higher Education increment from any of the study areas of mathematics, English, languages, music, history or computer science/information technology then at most two VTAC scaled study scores and/or VET increments from that study area may be used.

All VCAA designated rules for Higher Education studies must be satisfied prior to a Higher Education study increment being available. Check the VCAA “VCE and VCAL Administrative Handbook” and current VCAA “Bulletin VCE, VCAL and VET” for the latest information.

The VCAA Handbook states that only one Higher Education Study may count towards satisfactory completion of the VCE. Similarly, only one Higher Education Study may contribute to your ATAR.

Restrictions on subject use in the ATAR calculation

The restrictions listed here are for studies completed after 2007. Additional restrictions may apply where earlier studies have been completed. Contact VTAC for further information.

Restrictions on studies in the ATAR

Only one of the following combinations can be used in the best six (that is, in the calculation of the ATAR):

- English/English as an Additional Language (EAL)
- Chinese (FL)/Chinese (SL)/Chinese (SL Advanced)
- Indonesian (FL)/Indonesian (SL)
- Japanese (FL)/Japanese (SL)
- Korean (FL)/Korean (SL)
- Mathematical Methods/Mathematical Methods (CAS).

In each of the study areas of English, mathematics, history, Contemporary Australian studies, information technology, languages and music:

- at most two results can contribute to the primary four
- at most three results can contribute to the ATAR, be they VCE results, Higher Education study results, or VET results.

The studies included in these study areas are those listed in the appropriate study area groupings (see page 12).

Please note: The VET industry area restrictions and VFE Block Credit restrictions also apply.

Types of institutions & courses to get you started...

Higher education

Courses	Higher education courses provide professional qualifications with an emphasis on theory and the development of transferable skills. Some courses are vocational, leading to careers in clearly identified areas (e.g. Accounting) while others are 'generalist' with no particular vocational skills component. Although courses vary, many higher education courses include formal lectures and tutorials.
Length	The majority of higher education courses with applications through VTAC are bachelor degrees and a few associate degrees. A basic undergraduate degree usually requires a minimum of three to four years full-time study. Many courses such as combined degrees and industry-based learning (work experience degrees are longer). For further information about Higher education courses through VTAC see CourseSearch on the VTAC website.

Vocational Education Training (VET) courses

Courses	VET courses provide professional and para-professional qualifications with an emphasis on practical skills and vocational pathways that lead into higher level training, higher education or employment. A wide variety of study areas are offered; each one involving training for expertise in a particular skill area. VET qualifications are designed for close consultation with industry to ensure the training is current and relevant for industry requirements. Class sizes are usually small allowing for individual attention. These courses may be work based or involve a work placement. VET courses available through VTAC or directly include certificate II, certificate III, certificate IV, diplomas and advanced diplomas.
Length	Diplomas and advanced diplomas are normally equivalent to two years full-time study. Some courses offer one year accelerated programs. Refer to the individual course entries in the <i>VTAC Guide 2013</i> , under title and length, for specific details. Certificate IV can be (but are not always) equivalent to one year full-time study. For general VET course enquiries telephone 131 823.

Teaching styles

University	University teaching styles vary, however they generally include formal lectures, tutorials, seminars, practical workshops and/or laboratory classes and work experience placements.
TAFE	TAFE teaching styles involve small classes, individual attention and diverse programs. They are devised to ensure that they are highly accessible, provide a range of pathways and ensure practical learning while bridging the gap between work and education.
Independent Tertiary Colleges	Independent tertiary colleges offer a diverse range of teaching styles including lectures, workshops, laboratory classes, seminars, small group tutorials, practical work placements, industry visits and self-paced virtual classrooms. Courses may lead to employment or further study at degree or postgraduate level. A number of these courses offer credit transfer or arrangements with other institutions.

About selection

VTAC does not select applicants or influence decisions made by institutions.

Selection is the responsibility of each institution's course selection authorities. When considering your application, course authorities take into account published institutional and course entrance requirements, prerequisite studies and methods such as interviews, folios and supplementary forms.

For a list of the methods used for selection to a course, see *Selection mode* under the course information in CourseSearch on the VTAC website.

Two models of selection:

Approximately 50% of all courses use a range of criteria that may include the ATAR as well as other factors such as interview, folio presentations, pre-selection tests, additional forms and so on. Within this mix of criteria there may be different requirements for Year 12 applicants and non-year 12 applicants.

ATAR and two-stage process with a middle band of 20%

For courses using this selection method about 80% of places are determined by the ATAR alone. For the remainder of places in these courses additional information is considered for the applicants who do not have an ATAR high enough to guarantee automatic selection, but have an ATAR above that which leads to automatic rejection. These applicants are in the middle-band and they are evaluated in accord with the middle-band criteria published in each year's course entries.

Information about factors other than the ATAR are published in the middle-band statement within each course entry. See middle-band under the course information in CourseSearch on the VTAC website. These factors are used in addition to the prerequisites and extra requirements in course entries to rank applicants in the middle-band and fill the balance of the course quota.

Study area groupings

Mathematics studies

- Further Mathematics
- Mathematical Methods*
- Mathematical Methods (CAS)
- Specialist Mathematics
- Change and Approximation*
- Extensions–Change and Approximation*
- Reasoning and Data*
- Extensions–Reasoning and Data*
- Space and Number*
- Extensions–Space and Number*
- any Mathematics Higher Education study.

English studies

- English
- English (EAL)
- Literature
- English Language
- any English Higher Education study.

Music studies

- Music– History and Styles*
- Music Styles*
- Music Performance– Group*
- Music Performance–Solo*
- Music Styles and Composition
- Music Performance
- Music Investigation
- VCE VET Music Industry– Music Performance
- VCE VET Music Industry–Technical Production
- any Music Higher Education study.

Please note: There are a number of non-scored VET sequences available in the Music study area.

History studies

- Asian History*
- Australian History
- The City in History*
- Koori History*
- Revolutions
- History of Western Ideas*
- Renaissance Italy
- Nationalism and Modern State*
- any History Higher Education study.

Contemporary Australian studies

- Contemporary Society*
- Australian Studies*
- Contemporary Australian Society*
- Sociology
- any Contemporary Australian Study Higher Education study.

IT studies

- VCE Information Systems*
- VCE Information Processing and Management*
- VCE Information Technology in Society*
- VCE VET Information Technology
- VCE Software Development
- VCE IT Applications
- any IT Higher Education study.

Please note: There are a number of non-scored VET sequences available in the IT study area, including from the CISCO Networking Program.

All study grouping areas are correct as at 30 June 2013, but may be revised on the VTAC website and through VTAC Bulletins to schools as soon as revision is confirmed.

*Indicates that the study is no longer being offered as part of the VCE.

Courses with prerequisites available in 2016 and courses without prerequisites

Academy of Design Australia

www.designacademy.edu.au

All applicants for Academy courses are required to attend an individual interview and present a folio of recent creative work. While not expected to be of professional quality, the folio should demonstrate a range of creative and technical skills relevant to the course(s) applied for. Interviews are an informal, friendly discussion about the applicant's work, ambitions and interests. The interview panel consists of no more than two people who will ask questions relating to the Academy's Selection Criteria.

The interview panel seeks to identify potential students who are self-motivated and show initiative and the ability to successfully develop knowledge and skills in one of the disciplines offered at the Academy.

To assist applicants to present their work in the best way possible the Academy offers a Folio Presentation workshops. For further information refer to http://www.designacademy.edu.au/careers_portfolio_presentation.html

Courses without prerequisites

■ Communication Design

■ Filmmaking & Photography

■ Visual Arts

■ Fashion & Costume Design

■ Graphic & Digital Design

Academy of Interactive Entertainment

www.aie.edu.au

For all AIE Advanced Diploma programs, there is no pre-requisite. Applicants will be required to attend an interview in person on campus, online or over the phone if the applicant is located in Victoria's regional areas or interstate. For the Bachelor of Games and Virtual Worlds (Programming), applicants need to have demonstrated a completion in Year 12 or equivalent and with a minimum pass grade in English and mathematics (which includes Calculus) or an approved bridging program and/or skills assessment in mathematics and English.

Game Art and Screen: Folio should demonstrate your creativity and art skills. Examples can include sketches, paintings, video clips, animation, multimedia, sculpture, photography, life drawing and graphic design.

Software Development: Folio should demonstrate your aptitude for computer programming. You can include actual code samples in the folio or any compiled working applications, such as Visual Basic projects, Flash/ActionScript files, custom databases, iPhone or Java applications, multimedia projects or game models.

Students will need to demonstrate their enthusiasm and potential to complete the program to a high standard. Areas covered at the interview include communication and teamwork skills, personal motivation, educational history, long-term career aspirations and an awareness of the program objectives. Where it is necessary to collect additional evidence regarding the selection criteria, students might be requested to participate in an interview which may include a written or oral skills assessment test.

Courses with prerequisites available in 2016

■ Games and Virtual Worlds (Programming)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Courses without prerequisites

■ Game Art (Animation)

■ Game and Screen Studio Management

■ Game Programming

■ Screen Art (Animation)

Diploma of Graphic Design Folio presentation: Applicants must present a folio of their graphic work to demonstrate the applicant's skills in design. Examples can include DVD/CD/book artwork; promotional materials; logos; 2D/3D modelling; posters.

Diploma of Nursing Interview: This is a pre-entry assessment of your literacy and numeracy levels. Your responses will be assessed against the Australian Core Skills Framework. The level required is: Literacy Level 5 (similar to Year 11 English standard) and Numeracy Level 3-4 (similar to Year 10 Maths standard).

Australian College of Sports Therapy

www.sportstherapy.edu.au

To gain entry to a course an applicant must make an application through the Victorian Tertiary Admissions Centre in accordance with required timelines and the application procedures for the course, satisfy the minimum Victorian requirements as published in the VTAC Guide, satisfy any general entry requirements of the College together with other criteria such as achievement in specified prerequisite subjects, interview, folio, audition and/or submission of any required supplementary information; obtain an entry score or rank equal to or above the cut-off for the quota in that course; and be offered, and accept within the prescribed time, a place within the course.

Please refer to the full policy for more information: http://www.sportstherapy.edu.au/download/student_selection_admission_policy.pdf

Detail of Interview Preparation/Requirements

Applicants who are required to attend an interview or supply any additional information must demonstrate a range of attributes, e.g. personal motivation, relevant experience or previous study, an understanding of the course and/or potential employment opportunities.

Please refer to the course entries on the VTAC website or visit www.sportstherapy.edu.au or contact the College for confidential advice on (03) 9670 3735.

Courses without prerequisites

■ Exercise and Fitness Specialist

■ Remedial Massage (Certificate IV)

■ Fitness

■ Remedial Massage (Diploma)

■ Myotherapy (Advanced Diploma)

■ Sports Therapy

Courses without prerequisites

- Audio Production
- Creative Industries Management
- Music Performance (Contemporary)

Australian Guild of Music Education

Courses without prerequisites

- Music
- Music (Degree)

Australian Maritime College

General Principle of Admission Policy

For more information on all the courses offered visit www.amc.edu.au or contact AMC directly on 1300 363 864 or refer to the VTAC Guide. Information about selection criteria will be outlined in Selection mode and Extra requirements on the VTAC website.

Courses with prerequisites available in 2016

■ Engineering-Marine and Offshore

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and any Science; and English (any).

■ Engineering-Naval Architecture

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and any Science; and English (any).

■ Engineering-Ocean

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and any Science; and English (any).

■ Marine Environment

Prerequisites: Units 3 and 4: English (any); and any Mathematics; and any Science.

■ Maritime Technology Management

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Courses without prerequisites

- Applied Science (Marine Environment)
- Aquaculture
- International Logistics (Freight Forwarding)
- Maritime and Logistics Management (Associate Degree)
- Maritime and Logistics Management (Degree)

Bendigo TAFE's certificate, diploma and advanced diploma courses have varying requirements in relation to literacy and numeracy, and all applicants are required to participate in an individual interview.

Applicants will be expected to demonstrate communication skills, literacy and numeracy skills and enthusiasm towards study, as well as demonstrate a basic understanding of the course and the related career outcomes.

It may also be requested that applicants attend an information session or present a folio of work, dependant on the course for which the application is being made.

Courses without prerequisites

- **Building Design (Architectural)**
- **Conservation and Land Management**
- **Engineering - Technical**
- **Interactive Digital Media**
- **Sound Production**

Box Hill Institute

General Principle of Admission Policy

Many TAFE certificate I-IV courses have no prerequisites. Some diploma/advanced diploma courses will require the completion of pathway courses first, such as a certificate III or IV in the same course area.

The eligibility requirement for most degree courses is a study score of at least 20 in VCE English (any) Units 3 & 4. In addition some degree courses also require studies in VCE Units 3 & 4 Mathematics, Chemistry or Art.

Box Hill Institute encourages all applicants who do not satisfy course entry requirements to undertake some TAFE pathway or preparatory studies.

Folios

Some courses do require applicants to meet folio, audition or interview requirements. Other courses may simply require applicants to attend an information session, or submit a supplementary application form.

Detail of Folio and Audition Preparation

Auditions: Applicants are usually required to demonstrate their proficiency as a musician/artist

Folios: The folio should usually contain work demonstrating the applicant's conceptual, creative and technical ability. See our online Guide to Folio Presentation, at <http://www.bhtafe.edu.au/courses/CI/Pages/auditions-interviews.aspx>

Detail of Interview Preparation/Requirements

Interviews: Applicants are usually asked a series of questions relating to their suitability for the course, demonstration of clear career goals, citing of any relevant industry experience, and their general aptitude for the course.

Courses with prerequisites available in 2016

■ Biotechnology (Associate Degree)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Biotechnology and Innovation (Degree)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Commerce (Applied)

Prerequisites: Units 3 and 4: English (any).

■ Computer Systems (Networking)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Fashion Design (Degree)

Prerequisites: Units 3 and 4: English (any); and one of Design & Technology, Studio Arts or Visual Communication Design.

■ Hospitality Management (Degree)

Prerequisites: Units 3 and 4: English (any).

■ Music Audio Production (Degree)

Prerequisites: Units 3 and 4: English (any).

■ Music Business (Degree)

General Principle of Admission Policy

The University's Regional Bonus Scheme provides current Year 12 students attending a school in regional Australia with an automatic increase of 5 ATAR points. Students attending school in regional Victoria and regional New South Wales are also eligible to apply for the Principal Report Entry Program (PREP) which is administered through their school. Where a student does not meet entry requirements, CSU offers a number of pathway and supporting programs in areas such as Chemistry, English and Mathematics.

For more details on all the courses offered please see the University website www.csu.edu.au or contact CSU directly on 1800 334 733 or refer to the VTAC Guide.

Courses with prerequisites available in 2016

■ Education (Early Childhood and Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

Prerequisites: Units 3 and 4: English (any).

Elly Lukas Beauty Therapy College

www.ellylukas.edu.au

Courses without prerequisites

■ Beauty Therapy

■ Massage

General Principle of Admission Policy

Please check the VTAC Guide 2014 for accurate campus information.

Detail of Folio/interview preparation

Studies such as visual communication and design, media or studio arts will assist in the development of a portfolio for the following 3 courses:

- Advanced Diploma of Screen and Media CUF60107
- Diploma of Screen and Media CUF50107
- Certificate IV in Screen and Media CUF40107

Detail of Interview Preparation/Requirements

General awareness of and enthusiasm for aesthetics and design sense, initiative, personal motivation and the ability to communicate, an understanding of the course structure and a commitment to tertiary study.

Students are required to download a Supplementary Application form which they will need to submit to qualify for an interview. At interview applicants must bring in a folio of Film(s) they have directed and Produced plus Script(s) they have written.

Courses without prerequisites

■ Film and Television Production

Details of admissions requirements for programs are on the University website:

www.federation.edu.au/future-students/programs-and-courses

Detail of Folio and Audition Preparation

Applicants required to submit a folio should note that work should be representative of their ideas and abilities, show originality, imagination and competence in the skills for the course to which they are applying. Applicants should check the Extra Requirements sections of course entries for specific course requirements. The University runs occasional short courses in folio preparation. Contact the University on 1800 333 864 for further details. Detailed requirements for performing arts auditions are to be found on the University website or by calling the Arts Academy on (03) 5327 8600.

Detail of Interview Preparation/Requirements

Applicants required to attend an interview or supply additional information should demonstrate a range of attributes, e.g. personal motivation, relevant experience, an understanding of the course and of potential employment opportunities.

Note: Federation University Australia is the result of an exciting collaboration between the University of Ballarat and Monash University's Gippsland Campus. FedUni will provide leading Higher Education and TAFE programs to regional Victoria and beyond. Prospective students should confirm program information by visiting www.federation.edu.au or the VTAC website or by contacting the University directly on 1800 333 864 or info@federation.edu.au

■ Arts

Prerequisites: Units 3 and 4: any English.

■ Arts/Business

Prerequisites: Units 3 and 4: any English.

■ Arts/Community Welfare and Counselling

Prerequisites: Units 3 and 4: any English.

■ Arts/Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS); and Units 3 and 4: any English.

■ Arts/Primary Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Arts/Visual and Media Arts

Prerequisites: Units 3 and 4: any English.

■ Behavioural Science

Prerequisites: Units 3 and 4: any English.

■ Biomedical Science

Prerequisites: Units 3 and 4: any English; and any Mathematics; and one of Biology, Chemistry or Physics.

■ Biotechnology (Science)

Prerequisites: Units 3 and 4: one of Biology, Chemistry, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology; and any English.

■ Business

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics.

■ Business Systems

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Civil Engineering

Prerequisites: Units 3 and 4: any English; and one of Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Civil Engineering Technology

Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Civil and Environmental Engineering (Honours)

Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Civil and Environmental Engineering (Honours)/Business

Prerequisites: Units 3 and 4: any English; and each of Chemistry and Physics; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Commerce

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics.

■ Commerce/Management

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics.

■ Community Welfare and Counselling

Prerequisites: Units 3 and 4: any English.

■ Computer Games and Digital Media

Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Criminal Justice

Prerequisites: Units 3 and 4: any English.

■ Education (Early Childhood)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS); and Units 3 and 4: any English.

■ Education (P-6) or (P-10)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS); and Units 3 and 4: any English.

■ Environmental Management

Prerequisites: Units 3 and 4: any English; and one of Geography, any Mathematics or any Science.

■ Exercise and Sport Science

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS); and Units 3 and 4: any English.

■ Finance and Investment

Prerequisites: Units 3 and 4: any English.

■ Food and Nutritional Sciences

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics.

■ Geology

Prerequisites: Units 3 and 4: any English; and one of any Mathematics or any Science.

■ Health Sciences

Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physics or Psychology.

■ Health and Physical Education

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: any English.

■ Information Technology

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Information Technology (Associate Degree)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Information Technology (Professional Practice)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Management

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics.

■ Mathematical Sciences

Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Mathematical Sciences/Education

Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

■ Mechanical Engineering

Prerequisites: Units 3 and 4: any English; and one of Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Mechanical Engineering Technology

Prerequisites: Units 3 and 4: any English; and one of Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Medical Bioscience

Prerequisites: Units 3 and 4: one of Biology, Chemistry, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology; and any English.

■ Metallurgy

Prerequisites: Units 3 and 4: any English; and one of any Mathematics or any Science.

■ Mining Engineering

Prerequisites: Units 3 and 4: any English; and one of Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Mining Engineering Technology

Prerequisites: Units 3 and 4: any English; and one of Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Nursing

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, Physics or Psychology.

■ Nursing Practice

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Nursing Practice/Midwifery

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and any English.

■ Primary Education

Prerequisites: Units 3 and 4: any English.

■ Professional Communication (Arts)

Prerequisites: Units 3 and 4: any English.

■ Psychology

Prerequisites: Units 3 and 4: any English.

■ Psychology/Community Welfare and Counselling

Prerequisites: Units 3 and 4: any English.

■ Rural Social Welfare

Prerequisites: Units 3 and 4: any English.

■ Science

Prerequisites: Units 3 and 4: any English; and one of any Mathematics or any Science.

■ Science/Education

Prerequisites: Units 3 and 4: any Mathematics; and any English.

■ Software Engineering

Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

■ Sport Management

Prerequisites: Units 3 and 4: any English.

■ Sport Management/Business

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: any English.

■ Veterinary Bioscience

Prerequisites: Units 3 and 4: one of Biology, Chemistry, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology; and any English.

■ Visual Arts/Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods (CAS); and Units 3 and 4: any English.

Gordon (The)

www.thegordon.edu.au

General Statement

For more information on all the courses offered visit www.thegordon.edu.au or contact course information on (03) 5225 0500.

Interview Criteria

In general terms the following areas may be covered during the interview process: communication and teamwork skills, personal motivation, careers outcomes and opportunities, and the ability to demonstrate an awareness and understanding of the course.

Art and Design Courses: Folios should contain items that best demonstrate the range of skills and abilities that the applicant has achieved in areas of art and design. Examples can include sketches, ideas, journals, print media, 3D models, photo media, digital arts, multimedia, painting, sculpture, drawings. Original examples are preferred where possible however photographic documentation is acceptable. Fashion folio preparation courses are available. This course is a practical, hands-on workshop to help you produce a tertiary level entry folio for fashion design courses.

Visit www.thegordon.edu.au or contact course information no (03) 5225 0500.

General Principle of Admission Policy

Applicants will be required to attend an interview and present a folio of work in person or over the phone if the applicant is located in a regional area or interstate.

Detail of Folio

The Folio presented should demonstrate the applicant's creativity and art skills. Folios can include illustrations, drawings, sketches, paintings, video clips, animation, multimedia, web design, photography, visual communication and graphic design.

Detail of Interview

Students will need to demonstrate their passion and enthusiasm to complete the course applied for to a high standard. Areas covered at the interview include communication, personal motivation, educational history and long-term career aspirations and goals.

Courses without prerequisites

- Advertising and Graphic Design
- Beauty Therapy
- Business
- Design
- Interior Decoration and Design

Courses without prerequisites

- Accounting
- Business
- Commercial Cookery
- Fashion and Business
- Hospitality
- Information Technology
- Management
- Professional Accounting

General Principle of Admission Policy

Information about prerequisites and selection criteria can be found at www.holmesglen.edu.au or by calling 03 9564 1555.

For degree programs, the eligibility requirement is successful completion of VCE. Some courses may require studies in VCE Units 3 and 4 Mathematics, VCE Units 3 and 4 English, folio submissions or an interview. Pathways through TAFE studies are available to applicants who do not satisfy entry requirements for a degree. Students who successfully complete a Diploma or Advanced Diploma in a related field may receive up to 8 to 12 credits for a degree. Special entry requirements may apply to mature age applicants.

Detail for Folio Preparation

Folios that best demonstrate the ability of an applicant to undertake a program in a particular discipline should be presented at interview. Folio contents are not limited to, but could include, observational drawing, sketches, concept drawings, use of the design process, 2D and 3D work, photography, media, short films, storyboards, textiles, fashion garments and other art forms and media. Original artwork is preferred, but good quality photographic documentation is acceptable.

Detail of Interview Preparation/Requirements

Courses that require interviews will cover areas such as motivation for completion of a particular course, communication skills, ability to present artwork, knowledge of course structure and job outcomes.

Courses with prerequisites available in 2016

■ Early Childhood Education (Degree)

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Nursing (Degree)

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

Courses without prerequisites

■ Accounting	■ Fitness	■ Nursing (Enrolled Nursing)
■ Accounting (Degree)	■ Furniture Design and Technology	■ Outdoor Recreation
■ Administration	■ Graphic Design	■ Photo Imaging
■ Animation-Screen Production (Degree)	■ Horticulture/Sustainability	■ Printing and Graphic Arts (Digital Production)
■ Banking Services	■ Hospitality	■ Professional Writing and Editing
■ Bookkeeping	■ Hospitality (Commercial Cookery)	■ Science
■ Building and Construction (Building)	■ Hospitality (Patisserie)	■ Screen and Media (Animation)
■ Building Design	■ Hospitality Management (Degree)	■ Screen and Media (Live Action)
■ Building Surveying	■ Human Resources	■ Screen and Media (Radio and TV)
■ Building Surveying (Degree)	■ Information Technology Networking	■ Screen Production (Live Action) (Degree)
■ Business Administration (Degree)	■ Information Technology Software Development	■ Sport Development/Leisure and Health
■ Ceramics	■ Interior Design and Decoration	■ Sports Media (Degree)
■ Conservation and Land Management/Sustainability	■ International Business	■ Travel and Tourism (Guiding)
■ Construction Management and Economics (Degree)	■ Justice	■ Travel and Tourism (Travel)
■ Dental Technology	■ Laboratory Technology	■ Travel and Tourism/Events
■ Design	■ Landscape Design/Sustainability	■ Visual Arts
■ Digital Media (Multimedia/Web/Gaming)	■ Live Production, Theatre and Events	■ Youth Work
■ Events/Management	■ Management	
■ Executive Administration (Degree)	■ Marketing	
■ Fashion Design	■ Marketing Management (Degree)	
■ Fashion Design (Degree)	■ Massage/Myotherapy	
	■ Naturopathy	

Kangan Institute

■ Computer Systems Engineering	■ Information, Digital Media and Technology	■ Tourism
■ Computer Systems Technology	■ Justice	■ Visual Merchandising
■ Fashion Design	■ Management - Human Resources	■ Web-Based Technologies

Courses with prerequisites available in 2016

■ Bioscience

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Business

Prerequisites: Units 3 and 4: English (any).

■ Health Sciences

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Information Technology

Prerequisites: Units 3 and 4: English (any).

■ Mass Media and Communications

Prerequisites: Units 3 and 4: English (any).

La Trobe University

General Principle of Admission Policy

In pursuing its regional mission, the University may adjust upwards the aggregate of applicants from regional schools.

Some courses are available for commencement at other campuses.

Please check the VTAC Guide for accurate campus information.

Detail of Folio/interview preparation

Studies such as visual communication and design or studio arts will assist in the development of a portfolio for:

- Graphic Design (Bendigo & Mildura)
- Visual Arts (Bendigo & Mildura)

Detail of Interview Preparation/Requirements

General awareness of and enthusiasm for aesthetics and design sense, initiative, personal motivation and the ability to communicate, an understanding of the course structure and a commitment to tertiary study.

Courses with prerequisites available in 2016

■ Accounting

Prerequisites: Units 3 and 4: English (any).

■ Accounting (Business)

Prerequisites: Units 3 and 4: English (any).

■ Accounting and Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Accounting/Economics

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Accounting/Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Accounting/Information Technology

Prerequisites: Units 3 and 4: English (any).

■ Agricultural Sciences

Prerequisites: Units 3 and 4: English (any).

■ Agricultural Sciences/Business

Prerequisites: Units 3 and 4: English (any).

■ Agricultural Sciences/International Development

Prerequisites: Units 3 and 4: English (any).

■ Animal and Veterinary Biosciences

Prerequisites: Units 3 and 4: English (any).

■ Archaeology

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Arts

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Arts/Accounting

Prerequisites: Units 3 and 4: English (any).

■ Arts/Arts Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (EAL) or English other than EAL.

■ Arts/Economics

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Arts/Health Sciences

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Arts/Science

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Biological Sciences (Advanced Science)

Prerequisites: Units 1 and 2: two units (any study combination) of Geography, Health & Human Development, Information Technology, any Mathematics, Physical Education or any Science or Units 3 and 4: one of Geography, Health & Human Development, Info Tech: IT Applications, Info Tech: Software Development, any Mathematics, Physical Education or any Science; and English (any).

■ Biomedical Science

Prerequisites: Units 3 and 4: English (any); and Chemistry.

■ Bioscience

Prerequisites: Units 1 and 2: two units (any study combination) of Geography, Health & Human Development, Information Technology, any Mathematics, Physical Education or any Science or Units 3 and 4: Geography, Health & Human Development, Info Tech: IT Applications, Info Tech: Software Development, any Mathematics, Physical Education or any Science; and English (any).

■ Business

Prerequisites: Units 3 and 4: English (any).

■ Business (Sport Development and Management)

Prerequisites: Units 3 and 4: English (any).

■ Business Information Systems

Prerequisites: Units 3 and 4: English (any).

■ Business/Information Technology

Prerequisites: Units 3 and 4: English (any).

■ Civil Engineering (Honours)

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any); and one of Specialist Mathematics or Physics.

■ Civil Engineering (Honours)/Business

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any); and one of Specialist Mathematics or Physics.

■ Civil Engineering (Honours)/Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Specialist Mathematics or Physics.

■ Computer Science

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Computer Science (Honours)/Electronic Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Computer Science in Games Technology

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Computer Science/Accounting

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Computer Systems Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Creative Arts

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Early Childhood Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Economics

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Electronic Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Electronic Technology

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Event Management

Prerequisites: Units 3 and 4: English (any).

■ Event Management/Marketing

Prerequisites: Units 3 and 4: English (any).

■ Event Management/Tourism Management

Prerequisites: Units 3 and 4: English (any).

■ Exercise Science

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Exercise Science/Exercise Physiology

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Financial Services

Prerequisites: Units 3 and 4: English (any).

■ Graphic Design

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Health Sciences

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences (Medical Classification)/Health Information Management

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences in Dentistry/Dentistry

Prerequisites: Units 3 and 4: English (any); and Biology; and Chemistry.

■ Health Sciences/Business

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Clinical Audiology

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Clinical Prosthetics and Orthotics

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Dietetic Practice

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/International Development

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Occupational Therapy Practice

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Orthoptics

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Physiotherapy Practice

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Podiatric Practice

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Health Sciences/Speech Pathology

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Human Nutrition

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

■ Human Resource Management

Prerequisites: Units 3 and 4: English (any).

■ Human Services/Social Work

Prerequisites: Units 3 and 4: English (any).

■ Information Technology

Prerequisites: Units 3 and 4: English (any).

■ Information Technology (Professional)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ International Business

Prerequisites: Units 3 and 4: English (any).

■ International Development

Prerequisites: Units 3 and 4: English other than EAL; and English (any).

■ International Relations

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Journalism

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Journalism (Sport)

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Law (undergraduate entry)

Prerequisites: Units 3 and 4: English (any).

■ Law/Accounting

Prerequisites: Units 3 and 4: English (any).

■ Law/Arts

Prerequisites: Units 3 and 4: English (any).

■ Law/Business

Prerequisites: Units 3 and 4: English (any).

■ Law/Economics

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Law/Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Law/International Relations

Prerequisites: Units 3 and 4: English (any).

■ Law/Media

Prerequisites: Units 3 and 4: English (any).

■ Law/Psychological Science

Prerequisites: Units 3 and 4: English (any).

■ Law/Science

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Leadership and Management

Prerequisites: Units 3 and 4: English (any).

■ Legal Studies

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Marketing

Prerequisites: Units 3 and 4: English (any).

■ Mechatronic and Robotic Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Media

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Medicinal Chemistry

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Nanotechnology/Science

Prerequisites: Units 3 and 4: English (any); and Chemistry; and Mathematical Methods (CAS); and one of Specialist Mathematics or Physics.

■ Nursing

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Health & Human Development, any Mathematics, Physical Education, Physics or Psychology.

■ Nursing/Midwifery

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Health & Human Development, any Mathematics, Physical Education, Physics or Psychology.

■ Oral Health Science

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry or Physical Education.

■ Outdoor Education

Prerequisites: Units 3 and 4: English (any).

■ Outdoor Recreation Education

Prerequisites: Units 3 and 4: English (any).

■ Paramedic Practice/Public Health Promotion

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, Health & Human Development, any Mathematics, Physical Education, Physics or Psychology.

■ Pharmacy

Prerequisites: Units 3 and 4: English (any); and Chemistry; and Mathematical Methods (CAS).

■ Physical and Health Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Physical and Outdoor Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Politics, Philosophy and Economics

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Psychological Science

Prerequisites: Units 3 and 4: English (any).

■ Public Health Promotion

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Health & Human Development, any Mathematics, Physical Education or Physics.

■ Science

Prerequisites: Units 3 and 4: English (any); and any Mathematics; and one of Biology, Chemistry, Environmental Science, Geography, Health & Human Development, Info Tech: IT Applications, Info Tech: Software Development, Physical Education, Physics or Psychology.

■ Science (Applications in Society)

Prerequisites: Units 3 and 4: English (any).

■ Science (Honours)/Nanotechnology

Prerequisites: Units 3 and 4: English (any); and Chemistry; and Mathematical Methods (CAS); and one of Specialist Mathematics or Physics.

■ Science (Wildlife and Conservation Biology)

Prerequisites: Units 1 and 2: two units (any study combination) of Geography, Health & Human Development, Information Technology, any Mathematics, Physical Education or any Science or Units 3 and 4: Geography, Health & Human Development, Info Tech: IT Applications, Info Tech: Software Development, any Mathematics, Physical Education or any Science; and English (any).

■ Science Double Degree Program

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Science/Accounting

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Science/Science Education

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Social Sciences

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Sport Management

Prerequisites: Units 3 and 4: English (any).

■ Strategic Communication

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Teaching (Outreach and Community Education)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Teaching (Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Teaching (Secondary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Tourism Management

Prerequisites: Units 3 and 4: English (any).

■ Tourism Management/Marketing

Prerequisites: Units 3 and 4: English (any).

■ Tourism and Hospitality

Prerequisites: Units 3 and 4: English (any).

■ Urban, Rural and Environmental Planning

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Visual Arts

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

Courses with prerequisites available in 2016

■ Commerce

Prerequisites: Units 3 and 4: English (any).

■ Computing

Prerequisites: Units 3 and 4: English (any).

■ Engineering

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Health Sciences

Prerequisites: Units 3 and 4: English (any).

■ Management

Prerequisites: Units 3 and 4: English (any).

■ Media and Communication

Prerequisites: Units 3 and 4: English (any).

■ Science

Prerequisites: Units 3 and 4: English (any).

Courses without prerequisites

■ Tertiary Preparation Program

Melbourne Institute of Technology

www.mit.edu.au

Information about the selection criteria and extra requirements will be outlined in the VTAC Guide 2014. Some degree programs may require satisfactory completion of units 3& 4 VCE mathematics.

Courses with prerequisites available in 2016

■ Engineering Technology (Telecommunications)

Prerequisites: Units 3 and 4: any Mathematics.

Courses without prerequisites

■ Business

■ Business (Degree)

■ Information Technology

■ Networking

■ Networking (Degree)

A Monash College Diploma provides specialised preparation for direct entry to first or second year of specific Monash University degrees. Each Diploma has been developed in consultation with Monash University faculties and academic staff to prepare international students for success. Monash College offers four Diploma programs:

- Art & Design Studies
- Arts
- Business
- Engineering Studies

The Diploma program consists of two parts - Part 1 and Part 2 - each of eight months duration. Each eight month period is divided into two trimesters (except Engineering Part 2 which is delivered over three trimesters).

International students are eligible for entry into Part 1 or Part 2 of the Diploma programs, as dependant on existing qualifications and results. Domestic students are eligible for entry into all Part 2 Diploma Programs and Part 1 of the Diploma of Art and Design studies, as dependant on existing qualifications and results. There are three intakes throughout the year for maximum flexibility: February, June and October.

Courses with prerequisites available in 2016

■ Art and Design Studies

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Arts (Human Behaviour Stream)

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Arts (Psychology Stream)

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL.

■ Business (Business stream)

Prerequisites: Units 3 and 4: English other than EAL or English (EAL); and any Mathematics.

■ Business (Commerce stream)

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering Studies

Prerequisites: Units 3 and 4: English (EAL) or English other than EAL; and one of Mathematical Methods (CAS) or Specialist Mathematics; and one of Chemistry or Physics.

General Principle of Admission Policy

Institutional Requirement

VCE: A minimum of four Units 3 and 4 study scores including a study score of at least 30 in English (EAL) or 25 in any other English is required. See course entries for further details and specific faculty requirements on the level of achievement in study scores.

Eligibility score

Monash University has set an eligibility score for courses (based on ATAR). A list of the University's eligibility scores can be found at the Going to Uni website <http://myuniversity.gov.au/CourseSearch>. Please note that the University also has a minimum ATAR of 70.00 for all Bachelor Degree courses, even where middle-band is not used or where a range of selection criteria is used. This applies to both Commonwealth Supported and International Full Fee places. Domestic applicants who receive a SEAS bonus may be selected under the eligibility score or the University's minimum ATAR if the bonus lifts them above this rank.

Details of Folio Preparation/Requirements

The folio should contain 10 to 15 items that give the best indication of the standard and potential of the applicant's work. Applicants should present a folio which best demonstrates skills in their chosen field. Examples can include design work/ideas, drawings, drawing models, paintings, photography, prints, 2D or 3D works. The submission of sketchbooks, art notebooks and

journals is also acceptable. Original works are preferred, but where works are too large to bring to the interview, they can be presented in photographic form, preferably in colour. Applicants who live interstate or in remote areas, or who cannot produce their folio because it is required for external examination purposes, should present photographic evidence of their work in colour. You will also be required to submit a digital copy of the folio you present. Information on presenting a folio for interview is available at: www.monash.edu/mada/apply

Details of Interview/Preparation Requirements

Art Design and Architecture courses: An interview panel will study the quality and potential of the folio and assess ability and motivation for successful study and communication skills

Music (Clayton) (Performance): Applicants should prepare two contrasting (e.g. style, period, composer) works, no longer than 10 to 15 minutes altogether. Technical and/or sight work may also be requested. The audition will comprise selections from the applicant's audition material and a brief interview

(Composition): Applicants must compile a composition folio with two original compositions (any style). They can be submitted as audio recordings, music scores or both. Further details are available at www.arts.monash.edu.au/auditions/music.php

Performing Arts (Clayton): Applicants should bring along a sample audition piece and/or any other creative materials. Further details are available at www.arts.monash.edu.au/auditions/performing-arts.php

Courses with prerequisites available in 2016

Accounting

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

Accounting (Business)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Accounting and Finance

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

Accounting/Banking and Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Accounting/Management

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Aerospace Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

Aerospace Engineering (Honours)/Arts

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

Aerospace Engineering (Honours)/Law

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

Aerospace Engineering (Honours)/Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

Applications Development

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

Architecture

Prerequisites: Units 3 and 4: English (any).

Architecture Scholars program

Prerequisites: Units 3 and 4: English (any).

Arts

Prerequisites: Units 3 and 4: English (any).

Arts (Global)

Prerequisites: Units 3 and 4: English (any).

Arts (Global)/Commerce

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

Arts (Global)/Science

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

Arts Scholars program

Prerequisites: Units 3 and 4: English (any).

Arts and Social Sciences

Prerequisites: Units 3 and 4: English (any).

Arts and Social Sciences/Business and Commerce

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

Arts and Social Sciences/Community Welfare and Counselling

Prerequisites: Units 3 and 4: English (any).

Arts and Social Sciences/Primary Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

Arts and Social Sciences/Visual and Media Arts

Prerequisites: Units 3 and 4: English (any).

■ Arts/Accounting

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Arts/Banking and Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Arts/Business

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Arts/Commerce

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics

■ Arts/Commerce Scholars program

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Arts/Economics

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Arts/Education (Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Arts/Education (Secondary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Arts/Law

Prerequisites: Units 3 and 4: English (any).

■ Arts/Management

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Arts/Marketing

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Arts/Music

Prerequisites: Units 3 and 4: English (any).

■ Arts/Science

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Arts/Social Work

Prerequisites: Units 3 and 4: English (any).

■ Arts/Visual Arts

Prerequisites: Units 3 and 4: English (any); and one of Art or Studio Arts.

■ Banking and Finance

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Behavioural Science

Prerequisites: Units 3 and 4: English (any).

■ Biomedical Science

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS), Specialist Mathematics or Physics.

■ Biomedical Science (Scholar Program)

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS), Specialist Mathematics or Physics.

■ Biomedical Science Advanced with Honours

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS), Specialist Mathematics or Physics.

■ Biomedical Science/Commerce

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Biomedical Science/Engineering (Honours)

Prerequisites: Units 3 and 4: each of Chemistry, English (any) and Mathematical Methods (CAS); and one of Specialist Mathematics or Physics.

■ Biomedical Science/Law

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS), Specialist Mathematics or Physics.

■ Biomedical Science/Science

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS), Specialist Mathematics or Physics.

■ Biotechnology

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Biotechnology (Science)

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Business

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Business (Psychology)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Business Administration

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Business Information Systems

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Business Law

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Business and Commerce

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Business/Sport and Outdoor Recreation

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Business/Visual Arts

Prerequisites: Units 3 and 4: English (any); and any Mathematics; and one of Art or Studio Arts.

■ Civil and Environmental Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Civil and Environmental Engineering (Honours)/Business and Commerce

Prerequisites: Units 3 and 4: English (any); and Chemistry; and Physics; and Mathematical Methods (CAS).

■ Commerce

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce Scholars Program

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce Scholars Program/Economics

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce/Aerospace Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Commerce/Business Information Systems

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce/Economics

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce/Education (Secondary)

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce/Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Commerce/Law

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce/Mechatronics Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Commerce/Science

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Communication Design

Prerequisites: Units 3 and 4: English (any).

■ Community Welfare and Counselling

Prerequisites: Units 3 and 4: English (any).

■ Community Welfare and Counselling/ Diploma of Community Services (Alcohol, Other Drugs and Mental Health)

Prerequisites: Units 3 and 4: English (any).

■ Community Welfare and Counselling/ Diploma of Disability

Prerequisites: Units 3 and 4: English (any).

■ Computer Science

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Computer Systems Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Physics; and Mathematical Methods (CAS).

■ Criminal Justice

Prerequisites: Units 3 and 4: English (any).

■ Diploma of Tertiary Studies - Arts

Prerequisites: Units 3 and 4: English (any).

■ Diploma of Tertiary Studies - Business

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Diploma of Tertiary Studies - Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Diploma of Tertiary Studies - Nursing

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods or Units 3 and 4: any Mathematics; and English (any).

■ Economics

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Economics Advanced with Honours

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Education (Early Childhood)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Education (Early Childhood/Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Education (P-10)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Education (Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Education (Special Education)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Emergency Health (Paramedic)

Prerequisites: Units 3 and 4: two of English (any); and any Mathematics.

■ Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Engineering (Honours)/Architectural Design

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Engineering (Honours)/Arts

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Engineering (Honours)/Industrial Design

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Engineering (Honours)/Law

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Engineering (Honours)/Pharmaceutical Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and Chemistry; and one of Biology, Specialist Mathematics or Physics.

■ English Language

Prerequisites: Units 3 and 4: English (any).

■ Enterprise Information Management

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Environmental Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Environmental Engineering (Honours)/ Arts

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Environmental Engineering (Honours)/ Commerce

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Environmental Engineering (Honours)/ Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Environmental Science

Prerequisites: Units 3 and 4: English (any).

■ Finance and Investment

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Fine Art

Prerequisites: Units 3 and 4: English (any).

■ Games Development

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Health Science

Prerequisites: Units 3 and 4: English (any).

■ Health Science/Business

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Health Science/Social Work

Prerequisites: Units 3 and 4: English (any).

■ Industrial Design

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Informatics and Computation Advanced (Honours)

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Information Technology and Systems

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Information and Communication Technologies

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Interior Architecture

Prerequisites: Units 3 and 4: English (any).

■ International

Prerequisites: Units 3 and 4: English (any).

■ Journalism

Prerequisites: Units 3 and 4: English (any).

■ Journalism/Business

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Journalism/Commerce

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Journalism/Science

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Languages

Prerequisites: Units 3 and 4: English (any).

■ Law

Prerequisites: Units 3 and 4: English (any).

■ Management/Marketing

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Marketing

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Mechatronics Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Mechatronics Engineering (Honours)/Arts

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Mechatronics Engineering (Honours)/Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Medical Bioscience

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Medicine/Surgery

Prerequisites: Units 3 and 4: English (any); and Chemistry.

■ Medicine/Surgery (CSP Bonded)

Prerequisites: Units 3 and 4: English (any); and Chemistry.

■ Medicine/Surgery (CSP Extended Rural Cohort)

Prerequisites: Units 3 and 4: English (any); and Chemistry.

■ Mining Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Multimedia Development

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Music

Prerequisites: Units 3 and 4: English (any).

■ Music/Commerce

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Music/Education (Secondary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Music/Law

Prerequisites: Units 3 and 4: English (any).

■ Music/Performing Arts

Prerequisites: Units 3 and 4: English (any).

■ Nursing

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Nursing (Community Health)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Nursing Practice

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Nursing Practice/Midwifery

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Nursing/Emergency Health

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Nursing/Midwifery

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Nutrition Science

Prerequisites: Units 3 and 4: English (any); and Chemistry.

■ Nutrition and Dietetics

Prerequisites: Units 3 and 4: English (any); and Chemistry.

■ Occupational Therapy

Prerequisites: Units 3 and 4: English (any).

■ Performing Arts

Prerequisites: Units 3 and 4: English (any).

■ Performing Arts/Law

Prerequisites: Units 3 and 4: English (any).

■ Pharmaceutical Science

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Pharmaceutical Science Advanced with Honours

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Pharmacy

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Pharmacy Scholars program

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Pharmacy/Commerce

Prerequisites: Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Physiotherapy

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, Mathematical Methods (CAS), Specialist Mathematics or Physics.

■ Primary Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Professional Communication

Prerequisites: Units 3 and 4: English (any).

■ Professional Communication (Arts)

Prerequisites: Units 3 and 4: English (any).

■ Psychology

Prerequisites: Units 3 and 4: English (any).

■ Psychology (with Honours)

Prerequisites: Units 3 and 4: English (any).

■ Psychology/Community Welfare and Counselling

Prerequisites: Units 3 and 4: English (any).

■ Radiography and Medical Imaging

Prerequisites: Units 3 and 4: English (any); and one of Biology or Physics; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Science

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Science Advanced with Honours

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and two of Biology, Chemistry, Geography, Specialist Mathematics or Physics.

■ Science Scholars Program

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and two of Biology, Chemistry, Geography, Specialist Mathematics or Physics.

■ Science/Computer Science

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Science/Education (Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology; and English (any).

■ Science/Education (Secondary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology; and English (any).

■ Science/Engineering (Honours)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS); and one of Chemistry or Physics.

■ Science/Law

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Software Engineering

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Sport and Outdoor Recreation

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Sport and Outdoor Recreation/Education (Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Sport and Outdoor Recreation/Education (Secondary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any).

■ Veterinary Bioscience

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Geography, Mathematical Methods (CAS), Specialist Mathematics, Physics or Psychology.

■ Visual Arts/Education (Primary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any); and one of Art or Studio Arts.

■ Visual Arts/Education (Secondary)

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS) or Units 3 and 4: any Mathematics; and English (any); and one of Art or Studio Arts.

■ Visual and Media Arts

Prerequisites: Units 3 and 4: English (any).

General Statement

All selection mode and extra requirements for VTAC courses at NMIT are contained in the VTAC Guide 2014 along with prerequisites for the Institute's Degree and Associate Degree programs. Further course information can be obtained on the NMIT website www.nmit.edu.au

Audition/Folio/Interview

Applicant's required to submit a folio must show technical competence, concept development, originality and creativity. Music audition applicants must display a technical competence on their principle instrument and a degree of expressive creativity in their performance (as required by the course qualification applying for). Applicants at interview must show commitment to study, an interest in the course, motivation to complete the course and their future career expectations.

Courses with prerequisites available in 2016

■ Accounting (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Agriculture and Land Management (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any); and any Mathematics; and one of Biology or Chemistry.

■ Business (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Early Childhood Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any).

■ Early Childhood Studies

Prerequisites: Units 3 and 4: English (any).

■ Education (Early years)

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any).

■ Equine Studies (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any); and any Mathematics; and one of Biology or Chemistry.

■ Hospitality Management (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Illustration (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Information Technology (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Music (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Music Industry (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Writing and Publishing (Degree, Associate Degree)

Prerequisites: Units 3 and 4: English (any).

Photography Studies College

www.psc.edu.au

PSC is a dual sector provider offering both the Higher Education Bachelor of Photography course with majors in commercial photography, photojournalism and art photography and the VET sector Advanced Diploma of Photography course.

Applicants to PSC are selected on the basis of meeting minimum tertiary entrance requirements attending an interview and presenting a folio that contains between 8 - 15 well presented final images. These should demonstrate the applicants' aptitude for photography and potential.

At interview applicants will be given the opportunity to demonstrate their engagement with photography and showcase their skills, interest, strengths and personal motivation for study. Applicants should come to the interview prepared to discuss and answer questions about their folio, ideas, processes, inspirations and career aspirations.

RMIT will admit students on the basis of satisfaction of their demonstrated capacity to succeed in their chosen course. In addition to general entrance requirements, applicants must also satisfy the relevant prerequisite studies and additional entry requirements for their course of interest.

Extra Requirements

In addition to the general entrance requirements, some courses may have extra requirements including (but not limited to):

- Form/Kit
- Interview
- Folio, folio presentation
- Course specific or other admissions test

The purpose is for an applicant to show that they have a good understanding of, and a strong desire to study the course they have applied for. If a course has extra requirements, detailed information will be available in the individual course entry in the VTAC Guide.

Detail of Folio/Preparation Requirements

Where applicants are required to submit a folio, generally the folio should comprise 15 to 30 pieces of original personal work. The folio could contain a variety of personal work in art, design or media which demonstrates the interests, creative thinking and conceptual, design and technical skills of the applicant. Examples of work may include drawings, paintings, graphic designs, photographs, digital images, models, sculpture, video, scripting, short stories and/or 2D and 3D flash animation. For design courses the folio presentation is an opportunity to present a folio of your work. Applicants may be asked to discuss their pieces of work, outlining why they chose a particular topic, what they were trying to achieve and the process undertaken to achieve the final product. In some cases selection staff may also ask about designers or areas of design that interest or inspire. Folio presentations are conducted in a friendly and supportive manner and are normally expected to take approximately 15 to 20 minutes. Applicants will be notified directly by RMIT as to whether or not they have been invited for a folio presentation. This notification will also include details of the folio presentation, and any further information.

Detail of Interview/Preparation Requirements

Interviews are part of the selection process for some courses. The interview process is an opportunity for applicants to demonstrate their understanding, ability and motivation for the course for which they are applying. During the interview, applicants present to a panel consisting of selection staff from the course to which they have applied. Applicants are asked questions about their work and interests in line with the selection criteria. Interviews are conducted in a friendly and supportive manner and are normally expected to take approximately 15 to 20 minutes.

Applicants will be notified directly by RMIT as to whether or not they have been invited for an interview. This notification will also include details of the interview and any further information.

Courses with prerequisites available in 2016

Accountancy

Prerequisites: Units 3 and 4: English (any).

Accountancy (Professional)

Prerequisites: Units 3 and 4: English (any).

Advertising

Prerequisites: Units 3 and 4: English (any).

Animation and Interactive Media

Prerequisites: Units 3 and 4: English (any).

Architecture

Prerequisites: Units 3 and 4: English (any).

Aviation

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

Aviation (Pilot)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

Aviation (Professional Pilots) (Associate Degree)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

Aviation/Business Management

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

Biomedical Science

Prerequisites: Units 3 and 4: Chemistry; and one of any Mathematics or Physics; and English (any).

Biotechnology

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

Biotechnology/Biomedical Science

Prerequisites: Units 3 and 4: Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

Business

Prerequisites: Units 3 and 4: English (any).

Chemistry/Business Management

Prerequisites: Units 3 and 4: Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

Chemistry/Engineering-Chemical

Prerequisites: Units 3 and 4: Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

Chinese Medicine/Health Science

Prerequisites: Units 3 and 4: English (any).

Chiropractic/Health Science

Prerequisites: Units 3 and 4: English (any).

Communication Design

Prerequisites: Units 3 and 4: English (any).

Computer Science

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

Computing Studies

Prerequisites: Units 3 and 4: English (any).

Construction Management

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and English (any).

■ Creative Writing

Prerequisites: Units 3 and 4: English (any).

■ Criminal Justice Administration

Prerequisites: Units 3 and 4: English (any).

■ Criminology and Psychology

Prerequisites: Units 3 and 4: English (any).

■ Economics and Finance

Prerequisites: Units 3 and 4: English (any).

■ Economics and Finance (Applied)

Prerequisites: Units 3 and 4: English (any).

■ Education (Early Childhood)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Education (Primary and Disability Studies)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Education (Primary and Early Childhood)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Education (Primary)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Engineering-Advanced Manufacturing and Mechatronics

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Advanced Manufacturing and Mechatronics/International Business

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Aerospace

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Aerospace/Business Management

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Automotive

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Automotive/Business Management

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Biomedical

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Engineering-Chemical

Prerequisites: Units 3 and 4: Chemistry; and Mathematical Methods (CAS); and English (any).

■ Engineering-Chemical/Biotechnology

Prerequisites: Units 3 and 4: Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Chemical/Business Management

Prerequisites: Units 3 and 4: Chemistry; and Mathematical Methods (CAS); and English (any).

■ Engineering-Chemical/Pharmaceutical Science

Prerequisites: Units 3 and 4: Chemistry; and Mathematical Methods (CAS); and English (any).

■ Engineering-Civil and Infrastructure

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Civil and Infrastructure/Business Management

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Civil/Mechanical/Electrical/Computer (Associate Degree)

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Computer and Network

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Computer and Network/Business Management

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Computer and Network/Computer Science

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical and Electronic

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical and Electronic/Business Management

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical and Electronic/Entrepreneurship

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical and Electronic/International Business

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical/Business Management

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electrical/Commerce

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electronic Product Design

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Engineering-Electronic and Communication

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Electronic and Communication/Computer Science

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Engineering-Environmental

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Mechanical

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Mechanical/Biotechnology

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Mechanical/Business Management

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Mechanical/Industrial Design

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Sustainable Systems

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Sustainable Systems/Business Management

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Engineering-Sustainable Systems/Industrial Design

Prerequisites: Units 3 and 4: Mathematical Methods (CAS); and English (any).

■ Entrepreneurship

Prerequisites: Units 3 and 4: English (any).

■ Environment

Prerequisites: Units 3 and 4: English (any).

■ Environment/Environmental Science

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Environmental Science

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Environmental Science/Business Management

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Environmental Science/Engineering-Environmental

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Exercise and Sport Science

Prerequisites: Units 3 and 4: one of Biology, Chemistry, Mathematical Methods (CAS), Specialist Mathematics, Physical Education or Physics; and English (any).

■ Fashion Design

Prerequisites: Units 3 and 4: English (any).

■ Fashion Design (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Fashion and Textiles Merchandising (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Fine Art (Expanded Studio Practice)

Prerequisites: Units 3 and 4: English (any).

■ Fine Art (Object based Practice)

Prerequisites: Units 3 and 4: English (any).

■ Fine Art (Print Imaging Practice)

Prerequisites: Units 3 and 4: English (any).

■ Fine Art (Sculpture, Sound and Spatial Practice)

Prerequisites: Units 3 and 4: English (any).

■ Food Technology and Nutrition

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Food Technology/Business Management

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Food Technology/Engineering-Chemical

Prerequisites: Units 3 and 4: Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Furniture Design (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Games Design

Prerequisites: Units 3 and 4: English (any).

■ Games and Graphics Programming

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Geospatial Science

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Health Sciences (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Human Resource Management

Prerequisites: Units 3 and 4: English (any).

■ Industrial Design

Prerequisites: Units 3 and 4: English (any).

■ Information Systems

Prerequisites: Units 3 and 4: English (any).

■ Information Systems (Applied)

Prerequisites: Units 3 and 4: English (any).

■ Information Technology

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Information Technology (Associate Degree)

Prerequisites: Units 3 and 4: any Mathematics; and English (any).

■ Interior Design

Prerequisites: Units 3 and 4: English (any).

■ International Business

Prerequisites: Units 3 and 4: English (any).

■ International Business (Applied)

Prerequisites: Units 3 and 4: English (any).

■ International Studies

Prerequisites: Units 3 and 4: English (any).

■ Journalism

Prerequisites: Units 3 and 4: English (any).

■ Laboratory Medicine

Prerequisites: Units 3 and 4: one of Biology or Chemistry; and one of any Mathematics or Physics; and English (any).

■ Landscape Architecture

Prerequisites: Units 3 and 4: English (any).

■ Languages

Prerequisites: Units 3 and 4: English (any).

■ Legal Practice (Paralegal) Associate Degree

Prerequisites: Units 3 and 4: English (any).

■ Legal and Dispute Studies

Prerequisites: Units 3 and 4: English (any).

■ Logistics and Supply Chain Management

Prerequisites: Units 3 and 4: English (any).

■ Logistics and Supply Chain Management (Applied)

Prerequisites: Units 3 and 4: English (any).

■ Management

Prerequisites: Units 3 and 4: English (any).

■ Marketing

Prerequisites: Units 3 and 4: English (any).

■ Marketing (Applied)

Prerequisites: Units 3 and 4: English (any).

■ Mathematics

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Media

Prerequisites: Units 3 and 4: English (any).

■ Medical Radiations-Medical Imaging (Radiography)

Prerequisites: Units 1 and 2: one of Biology or Chemistry; and Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Medical Radiations-Nuclear Medicine

Prerequisites: Units 1 and 2: one of Biology or Chemistry; and Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Medical Radiations-Radiation Therapy

Prerequisites: Units 1 and 2: one of Biology or Chemistry; and Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Music Industry

Prerequisites: Units 3 and 4: English (any).

■ Nanotechnology/Applied Sciences

Prerequisites: Units 3 and 4: one of Chemistry or Physics; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Nursing-Health Professional

Prerequisites: Units 1 and 2: any Mathematics or Units 3 and 4: any Mathematics; and English (any).

■ Osteopathy/Health Science

Prerequisites: Units 3 and 4: English (any).

■ Pharmaceutical Sciences

Prerequisites: Units 3 and 4: Chemistry; and one of any Mathematics or Physics; and English (any).

■ Pharmacy

Prerequisites: Units 3 and 4: Chemistry; and Mathematical Methods (CAS); and English (any).

■ Photography (Arts)

Prerequisites: Units 3 and 4: English (any).

■ Physical Education

Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: one of Biology, Chemistry, Mathematical Methods (CAS), Specialist Mathematics, Physical Education or Physics; and English (any).

■ Physics/Engineering-Electronic and Communication

Prerequisites: Units 3 and 4: Physics; and one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Professional Communication

Prerequisites: Units 3 and 4: English (any).

■ Professional Writing and Editing (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Project Management

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and English (any).

■ Property and Valuation

Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and English (any).

■ Psychology (Applied Science)

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: one of Biology, Chemistry, Geography, Physics or Psychology; and English (any).

■ Psychology (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Public Relations

Prerequisites: Units 3 and 4: English (any).

■ Science (Applied Science)/Business Management

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Science (Applied Sciences)

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Science (Associate Degree)

Prerequisites: Units 3 and 4: any Mathematics; and one of Biology or Chemistry; and English (any).

■ Science-Dean's Scholar Program

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Social Work

Prerequisites: Units 3 and 4: English (any).

■ Social Work/Psychology (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Software Engineering

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Statistics

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Surveying

Prerequisites: Units 3 and 4: one of Mathematical Methods (CAS) or Specialist Mathematics; and English (any).

■ Textile Design

Prerequisites: Units 3 and 4: English (any).

■ Urban and Regional Planning

Prerequisites: Units 3 and 4: English (any).

■ Youth Work

Prerequisites: Units 3 and 4: English (any).

Courses without prerequisites

■ Accounting

■ Administration

■ Advertising

■ Alcohol and Other Drugs

■ Audiovisual Technology

■ Building Design

■ Building and Construction

■ Computer Systems

■ Conservation and Land Management

■ Dental Technology

Southern School of Natural Therapies

www.ssnt.edu.au

Southern School of Natural Therapies (SSNT) is the longest established natural therapies college in Australia. Established in 1961, SSNT offers courses in Naturopathy, Nutritional Medicine, Western Herbal Medicine, Chinese Medicine, Clinical Myotherapy and Massage.

To be eligible for any of Southern School of Natural Therapies higher education courses, you will need to meet the ATAR and subject requirements of the course. All prospective students (including VTAC applicants) will also need to attend an admission interview prior to successful offer. The purpose of this interview is to demonstrate an interest in, and commitment to complementary medicine. Contact the School to make an interview appointment with the Course and Careers Advisor.

Completion of a First Aid Certificate, Working with Children Check and a Police Check is required for clinical placement prior to undertaking clinical subjects.

Courses with prerequisites available in 2016

■ Chinese Medicine

Prerequisites: Units 3 and 4: English (any); and Units 1 to 4: any Science.

■ Diploma of Health Science

Prerequisites: Units 3 and 4: English (any); and Units 1 to 4: any Science.

■ Nutritional Medicine

Prerequisites: Units 3 and 4: English (any); and Units 1 to 4: any Science.

■ Clinical Myotherapy

Prerequisites: Units 3 and 4: English (any); and Units 1 to 4: any Science.

■ Naturopathy

Prerequisites: Units 3 and 4: English (any); and Units 1 to 4: any Science.

■ Western Herbal Medicine

Prerequisites: Units 3 and 4: English (any); and Units 1 to 4: any Science.

Courses without prerequisites

■ Massage Therapy Practice

■ Remedial Massage

■ Carpentry (Non-apprentice)

■ Children's Services

■ Conservation and Land Management

■ Electrotechnology (Career Start)

■ Engineering: Fabrication Trade (Non-apprentice)

■ Engineering: Mechanical Trade (Non-apprentice)

■ Environmental Monitoring and Technology

■ Equine

■ Furniture Making (Non-apprentice)

■ Graphic Design

■ Horticulture

■ Hospitality

■ Interactive Digital Media

■ Laboratory Techniques

■ Nursing (Enrolled/Division 2)

■ Photography

■ Plumbing (prevocational)

■ Sound Production

■ Sustainable Operations

■ Visual Art

■ Welfare Studies

General and Special Principles of Selection

Swinburne University of Technology has general principles of selection, which apply for entry to all undergraduate courses, while other courses have specific selection criteria. Information and selection criteria will be outlined in the Selection mode and Middle-band sections on the VTAC website in July 2015.

Note: a study score of at least 30 in English (EAL) or 25 in English other than EAL is a minimum prerequisite for all Swinburne undergraduate courses.

For details about TAFE course requirements please visit www.swinburne.edu.au/future

Courses with prerequisites available in 2016

Accounting

Prerequisites: Units 3 and 4: English (any).

Accounting and Finance

Prerequisites: Units 3 and 4: English (any).

Advertising (Business)

Prerequisites: Units 3 and 4: English (any).

Advertising (Communication)

Prerequisites: Units 3 and 4: English (any).

Arts

Prerequisites: Units 3 and 4: English (any).

Arts and Social Sciences (Dean's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met.

Arts and Social Sciences (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met.

Aviation

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

Aviation Management

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Aviation Management/Business

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Aviation/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

Business

Prerequisites: Units 3 and 4: English (any).

Business (Dean's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

Business (UniLink)

Prerequisites: Units 3 and 4: English (any).

Business (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

Business Administration

Prerequisites: Units 3 and 4: English (any).

Business Administration (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

Business Administration (Business)

Prerequisites: Units 3 and 4: English (any).

Business Information Systems

Prerequisites: Units 3 and 4: English (any).

Business Information Systems/Business

Prerequisites: Units 3 and 4: English (any).

Business/Communication

Prerequisites: Units 3 and 4: English (any).

Business/Social Science

Prerequisites: Units 3 and 4: English (any).

Commercial Law

Prerequisites: Units 3 and 4: English (any).

Communication

Prerequisites: Units 3 and 4: English (any).

Communications (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met.

Computer Science

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any).

Criminology and Forensic Science

Prerequisites: Units 3 and 4: English (any).

Design (Communication Design)

Prerequisites: Units 3 and 4: English (any); and one of Art, Design & Technology, Media, Interactive Digital Media C, Studio Arts or Visual Communication Design.

Design (Communication Design) (Honours)

Prerequisites: Units 3 and 4: English (any); and one of Art, Design & Technology, Media, Interactive Digital Media C, Studio Arts or Visual Communication Design.

Design (Communication Design)/Business

Prerequisites: Units 3 and 4: English (any); and one of Art, Design & Technology, Media, Interactive Digital Media C, Studio Arts or Visual Communication Design.

Design (Digital Media Design)

Prerequisites: Units 3 and 4: English (any).

Design (Industrial Design)

Prerequisites: Units 3 and 4: English (any); and one of Art, Design & Technology, Media, Interactive Digital Media C, Studio Arts, Systems Engineering or Visual Communication Design.

Design (Interior Architecture)

Prerequisites: Units 3 and 4: English (any); and one of Art, Design & Technology, Media, Interactive Digital Media C, Studio Arts, Systems Engineering or Visual Communication Design.

Design (UniLink)

Prerequisites: Units 3 and 4: English (any); and one of Art, Design & Technology, Media, Interactive Digital Media C, Studio Arts, Systems Engineering or Visual Communication Design.

Design (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met.

Digital Media

Prerequisites: Units 3 and 4: English (any).

Education (Early Childhood)

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any).

Education (Primary)

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any).

Engineering (Associate Degree)

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics or Mathematical Methods (CAS).

Engineering (Biomedical)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

Engineering (Civil)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Civil)/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Dean's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ Engineering (Electrical and Electronic)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Electrical and Electronic)/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Electronics and Computer Systems)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Electronics and Computer Systems)/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Electronics and Computer Systems)/Computer Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Mechanical)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Mechanical)/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Product Design)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Robotics and Mechatronics)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Robotics and Mechatronics)/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Robotics and Mechatronics)/Computer Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Telecommunication and Network)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Telecommunication and Network)/Business

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Telecommunication and Network)/Computer Science

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (UniLink)

Prerequisites: Units 3 and 4: English (any); and Mathematical Methods (CAS).

■ Engineering (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ Entrepreneurship and Innovation

Prerequisites: Units 3 and 4: English (any).

■ Film and Television

Prerequisites: Units 3 and 4: English (any).

■ Film and Television (Animation)

Prerequisites: Units 3 and 4: English (any).

■ Finance

Prerequisites: Units 3 and 4: English (any).

■ Games Development (Programming)

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any).

■ Games and Interactivity

Prerequisites: Units 3 and 4: English (any).

■ Games and Interactivity/Computer Science

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Health (Community)

Prerequisites: Units 3 and 4: English (any).

■ Health Science

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Health Science (Public and Environmental)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Health Sciences (Dean's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ Health Sciences (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ Health and Community Care

Prerequisites: Units 3 and 4: English (any).

■ Human Resource Management

Prerequisites: Units 3 and 4: English (any).

■ Information Technology (Industry Scholarship Program)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Information Technology (UniLink)

Prerequisites: Units 3 and 4: English (any).

■ Information and Communication Technology

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any).

■ Information and Communication Technology (Applied)

Prerequisites: Units 3 and 4: English (any).

■ Information and Communication Technology (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ International Business

Prerequisites: Units 3 and 4: English (any).

■ International Studies

Prerequisites: Units 3 and 4: English (any).

■ International Studies (Chinese)

Prerequisites: Units 3 and 4: English (any).

■ International Studies (Italian)

Prerequisites: Units 3 and 4: English (any).

■ International Studies (Japanese)

Prerequisites: Units 3 and 4: English (any).

■ Italian

Prerequisites: Units 3 and 4: English (any).

■ Italian/Commerce

Prerequisites: Units 3 and 4: English (any).

■ Japanese

Prerequisites: Units 3 and 4: English (any).

■ Japanese/Commerce

Prerequisites: Units 3 and 4: English (any).

■ Journalism

Prerequisites: Units 3 and 4: English (any).

■ Logistics and Supply Chain Management

Prerequisites: Units 3 and 4: English (any).

■ Management

Prerequisites: Units 3 and 4: English (any).

■ Marketing

Prerequisites: Units 3 and 4: English (any).

■ Media Studies (Communication)

Prerequisites: Units 3 and 4: English (any).

■ Media Studies (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Media and Communication

Prerequisites: Units 3 and 4: English (any).

■ Network Design and Security

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any).

■ Professional Writing and Editing

Prerequisites: Units 3 and 4: English (any).

■ Psychology (Arts)

Prerequisites: Units 3 and 4: English (any).

■ Psychology (Science)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Psychology (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Psychology and Forensic Science (Arts)

Prerequisites: Units 3 and 4: English (any).

■ Psychology and Forensic Science (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Psychology and Psychophysiology (Arts)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Psychology and Psychophysiology (Science)

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Psychology and Sport Science (Arts)

Prerequisites: Units 3 and 4: English (any).

■ Psychology and Sport Science (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Public Relations (Business)

Prerequisites: Units 3 and 4: English (any).

■ Public Relations (Communication)

Prerequisites: Units 3 and 4: English (any).

■ Public Relations (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Science

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Science (Dean's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ Science (Vice-Chancellor's Scholarship)

Prerequisites: Minimum ATAR required. Individual course prerequisites must be met

■ Security and Counter Terrorism (Arts)

Prerequisites: Units 3 and 4: English (any).

■ Security and Counter Terrorism (Social Science)

Prerequisites: Units 3 and 4: English (any).

■ Social Science

Prerequisites: Units 3 and 4: English (any).

■ Software Engineering

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Sports Management

Prerequisites: Units 3 and 4: English (any).

■ Tourism Management

Prerequisites: Units 3 and 4: English (any).

Courses without prerequisites

■ Accounting

■ Bookkeeping

■ Building Design

■ Building and Construction

■ Business Administration

■ Children's Services

■ Computer Systems Technology

■ Conservation and Land Management

■ Design

■ Design (Graphic)

■ Design (Interior Design and Decoration)

■ Digital Media Technologies

■ Digital and Interactive Games

■ Electrical

■ Electronics

■ Visual Art

■ Visual Merchandising

■ Website Development

The University of Melbourne has principles of selection and accompanying Academic Board Resolutions, which apply to individual undergraduate and graduate courses. These can be viewed at: www.futurestudents.unimelb.edu.au/admissions/entry-requirements

All courses, except Arts (Extended), Diploma in General Studies, Fine Arts (all specialisations), Music and Music (Chancellor's Scholars Program), use the Australian Tertiary Admission Rank (ATAR) and a two-stage selection process and have agreed to the selection of a significant proportion of applicants from below the Clearly-in rank. Consideration below the Clearly-in rank will be given to applicants eligible for University of Melbourne special entry schemes (all courses) and applicants with relevant work experience (Agriculture and Environmental Horticulture).

The University reserves the right to take into consideration the number of years an applicant has attended the senior years of secondary school.

Detail of folio/audition preparation:

Selection into the University of Melbourne's Fine Arts and Music courses is talent-based. Each specialisation within Fine Arts requires an audition/interview and additional extra requirements. The selection process for Music includes an audition and a musicianship test. Full details of the extra requirements for Fine Arts and Music can be found at: www.coursesearch.unimelb.edu.au

Preparatory subjects for specific majors:

Commerce applicants intending to major in Actuarial studies or complete an Engineering sequence are encouraged to complete Units 3 and 4 Specialist Mathematics. Commerce applicants intending to undertake an Engineering sequence in Electrical or Mechanical systems are encouraged to complete Units 3 and 4 Physics.

Environments applicants intending to major in Civil systems (Civil engineering); Construction; Environmental engineering systems; Environmental science; Geomatics; or Property are encouraged to complete Units 3 and 4 Mathematical Methods (CAS).

Science applicants intending to major in Animal health and disease (the shortest pathway to the Doctor of Veterinary Medicine) are encouraged to complete Units 3 and 4 Chemistry.

Courses with prerequisites available in 2016

■ Agriculture

Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Arts

Units 3 and 4: English (any).

■ Arts (Chancellor's Scholars Program)

Units 3 and 4: English (any).

■ Arts (Extended)

Units 3 and 4: English (any).

■ Biomedicine

Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Biomedicine (Chancellor's Scholars Program)

Units 3 and 4: English (any); and Chemistry; and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce

Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Commerce (Chancellor's Scholars Program)

Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Environmental Horticulture

Units 3 and 4: English (any).

■ Environments

Units 3 and 4: English (any).

■ Environments (Chancellor's Scholars Program)

Units 3 and 4: English (any).

■ Fine Arts (Animation)

Units 3 and 4: English (any).

■ Fine Arts (Contemporary Music)

Units 3 and 4: English (any).

■ Fine Arts (Dance)

Units 3 and 4: English (any).

■ Fine Arts (Film and Television)

Units 3 and 4: English (any).

■ Fine Arts (Music Theatre)

Units 3 and 4: English (any).

■ Fine Arts (Production)

Units 3 and 4: English (any).

■ Fine Arts (Screenwriting)

Units 3 and 4: English (any).

■ Fine Arts (Theatre Practice)

Units 3 and 4: English (any).

■ Fine Arts (Visual Art)

Units 3 and 4: English (any).

■ General Studies

Units 3 and 4: English (any).

■ Music

Units 3 and 4: English (any).

■ Music (Chancellor's Scholars Program)

Units 3 and 4: English (any).

■ Oral Health

Units 3 and 4: English (any); and one of Biology or Chemistry.

■ Science

Units 3 and 4: English (any); and each of Mathematical Methods (CAS) and Specialist Mathematics or English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics; and one of Biology, Chemistry or Physics.

■ Science (Chancellor's Scholars Program)

Units 3 and 4: English (any); and each of Mathematical Methods (CAS) and Specialist Mathematics or English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics; and one of Biology, Chemistry or Physics.

General Principle of Admission Policy

The first principle of the University's admissions policy is that applicants should be capable of successfully completing the course/s for which they are applying. Details of the admission requirements for courses are given on the university website (www.vu.edu.au/courses/) or online via VTAC (www.vtac.edu.au).

Victoria University anticipates that applicants for degree courses that select by ATAR and a two-stage process using middle-band of approximately 20% will have a minimum ATAR consistent with that in the relevant course entry. The ATAR required for admission may be higher than this minimum.

Victoria University encourages all applicants who do not satisfy institutional entry requirements to undertake some university study (Preparation for Tertiary Studies) and/or VET study.

Detail of Interview/Preparation Requirements

Applicants who are required to attend an interview will be required to demonstrate a range of attributes, e.g. personal motivation, relevant experience or previous study, an understanding of the course and potential employment opportunities.

Folios

Applicants required to submit a folio should note that work should be representative of their ideas and abilities, show originality, innovation, imagination, experimentation and competence in the basic skills for the course to which they are applying.

Courses with prerequisites available in 2016

Accounting

Prerequisites: Units 3 and 4: English (any).

Arts

Prerequisites: Units 3 and 4: English (any).

Arts (Community Development) - Australasia

Prerequisites: Units 3 and 4: English (any).

Arts (Community Development) - International Development

Prerequisites: Units 3 and 4: English (any).

Arts (Community Development) - Sport

Prerequisites: Units 3 and 4: English (any).

Arts (Community) - Diploma

Prerequisites: Units 3 and 4: English (any).

Arts/TAFE Liberal Arts

Prerequisites: Units 3 and 4: English (any).

Banking and Finance

Prerequisites: Units 3 and 4: English (any).

Biomedical Sciences

Prerequisites: Units 3 and 4: English (any); and one of Biology, Chemistry, Health & Human Development, any Mathematics or Physical Education.

Biomedical and Exercise Science

Prerequisites: Units 3 and 4: English (any); and two of Biology, Chemistry, Health & Human Development, any Mathematics or Physical Education.

Business Administration

Prerequisites: Units 3 and 4: English (any).

Business-Enterprise (Diploma)

Prerequisites: Units 3 and 4: English (any).

Communication (Digital Media)

Prerequisites: Units 3 and 4: English (any).

Communication (Professional Writing)

Prerequisites: Units 3 and 4: English (any).

Communication (Public Relations)

Prerequisites: Units 3 and 4: English (any).

Creative Arts Industries

Prerequisites: Units 3 and 4: English (any).

Creative Industries (Diploma)

Prerequisites: Units 3 and 4: English (any).

Criminal Justice Studies

Prerequisites: Units 3 and 4: English (any).

Dermal Therapies

Prerequisites: Units 3 and 4: English (any).

Education (P-12)

Prerequisites: Units 1 and 2: each of General Mathematics and Mathematical Methods (CAS); and Units 3 and 4: English (any).

Education (P-12) - Creativity and the Arts

Prerequisites: Units 1 and 2: each of General Mathematics and Mathematical Methods (CAS); and Units 3 and 4: English (any).

Education (P-12) - Home Economics

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any).

Education (P-12) - Humanities and Social Sciences

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any).

Education (P-12) - Mathematics Teaching

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

Education (P-12) - Outdoor Education

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any).

Education (P-12) - Physical Education

Prerequisites: Units 1 and 2: each of General Mathematics and Mathematical Methods (CAS); and Units 3 and 4: English (any).

Education (P-12) - Science Teaching

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any); and one of Biology, Chemistry or Physics.

Education Studies (Diploma)

Prerequisites: Units 3 and 4: English (any).

Education-Early Childhood/Primary

Prerequisites: Units 1 and 2: one of General Mathematics or Mathematical Methods (CAS); and Units 3 and 4: English (any).

Engineering - Alternative Entry

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Engineering - Architectural Engineering

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering - Building Engineering

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering - Civil Engineering

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering - Electrical and Electronic Engineering

Prerequisites: Units 3 and 4: one of English (any), Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering - Mechanical Engineering

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering Science - Electrical and Electronic Engineering

Prerequisites: Units 3 and 4: English (any); and one of Further Mathematics, Mathematical Methods (CAS) or Specialist Mathematics.

■ Engineering Science - Sports Engineering

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Event Management

Prerequisites: Units 3 and 4: English (any).

■ Exercise Science and Human Movement - Clinical Exercise Science

Prerequisites: Units 3 and 4: English (any).

■ Exercise Science and Human Movement - Exercise and Sport Science

Prerequisites: Units 3 and 4: English (any).

■ Exercise Science and Human Movement - Human Movement

Prerequisites: Units 3 and 4: English (any).

■ Exercise Science and Human Movement/ Psychological Studies

Prerequisites: Units 3 and 4: English (any).

■ Exercise Science and Human Movement/ Sport and Rec. Management

Prerequisites: Units 3 and 4: English (any).

■ Human Resource Management

Prerequisites: Units 3 and 4: English (any).

■ Information Technology (Diploma)

Prerequisites: Units 3 and 4: English (any).

■ Information Technology - Network and Systems Computing

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Interactive Media

Prerequisites: Units 3 and 4: English (any).

■ International Hospitality Management

Prerequisites: Units 3 and 4: English (any).

■ International Studies

Prerequisites: Units 3 and 4: English (any).

■ International Studies/Business

Prerequisites: Units 3 and 4: English (any).

■ International Tourism Management

Prerequisites: Units 3 and 4: English (any).

■ International Trade

Prerequisites: Units 3 and 4: English (any).

■ Kynandoo (Indigenous Studies)

Prerequisites: Units 3 and 4: English (any).

■ Law

Prerequisites: Units 3 and 4: English (any).

■ Law/Arts

Prerequisites: Units 3 and 4: English (any).

■ Law/Business

Prerequisites: Units 3 and 4: English (any).

■ Legal Practice Management

Prerequisites: Units 3 and 4: English (any).

■ Legal Studies

Prerequisites: Units 3 and 4: English (any).

■ Logistics (Associate Degree)

Prerequisites: Units 3 and 4: English (any).

■ Management

Prerequisites: Units 3 and 4: English (any).

■ Management and Information Systems

Prerequisites: Units 3 and 4: English (any).

■ Marketing

Prerequisites: Units 3 and 4: English (any).

■ Midwifery

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any); and one of Biology, Chemistry, Health & Human Development, any Mathematics, Physics or Psychology.

■ Music

Prerequisites: Units 3 and 4: English (any).

■ Music Industry

Prerequisites: Units 3 and 4: English (any).

■ Nursing

Prerequisites: Units 1 and 2: any Mathematics; and Units 3 and 4: English (any); and one of Biology, Chemistry, Health & Human Development, any Mathematics, Physics or Psychology.

■ Nutrition, Food and Health Sciences

Prerequisites: Units 3 and 4: English (any).

■ Nutritional Therapy

Prerequisites: Units 3 and 4: English (any).

■ Osteopathy

Prerequisites: Units 3 and 4: English (any); and one of Biology or Chemistry; and one of any Mathematics or Physics.

■ Paramedic

Prerequisites: Units 3 and 4: English (any).

■ Physical Education (Secondary)

Prerequisites: Units 3 and 4: English (any).

■ Psychological Studies

Prerequisites: Units 3 and 4: English (any); and any Science.

■ Psychological Studies/Business

Prerequisites: Units 3 and 4: English (any).

■ Psychology (Honours)

Prerequisites: Units 3 and 4: English (any); and any Science.

■ Psychology (Science)

Prerequisites: Units 3 and 4: English (any); and any Science.

■ Science - Alternative Entry

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Science - Biotechnology, Chemistry or Environmental Management

Prerequisites: Units 3 and 4: English (any); and any Mathematics.

■ Science/Psychological Studies

Prerequisites: Units 3 and 4: English (any); and one of Mathematical Methods (CAS) or any Science.

■ Social Work

Prerequisites: Units 3 and 4: English (any).

■ Sport Coaching - Physical Education

Prerequisites: Units 3 and 4: English (any).

■ Sport Coaching - Sport Science

Prerequisites: Units 3 and 4: English (any).

■ Sport and Recreation Management - Outdoor Recreation

Prerequisites: Units 3 and 4: English (any).

■ Sport and Recreation Management - Recreation Management

Prerequisites: Units 3 and 4: English (any).

■ Sport and Recreation Management - Sport Management

Prerequisites: Units 3 and 4: English (any).

■ Sport and Recreation Management/ Business

Prerequisites: Units 3 and 4: English (any).

■ Supply Chain and Logistics Management

Prerequisites: Units 3 and 4: English (any).

■ Technology - Building Surveying

Prerequisites: Units 3 and 4: English (any).

■ Youth Work

Prerequisites: Units 3 and 4: English (any).

■ Youth Work/Sport and Recreation Management

Prerequisites: Units 3 and 4: English (any).

Courses without prerequisites

■ Accounting	■ Gateway to Nursing (Health Science Foundations)	■ Logistics (Diploma)
■ Administration	■ Graphic Design (Advanced Diploma)	■ Massage/Myotherapy
■ Beauty Therapy	■ Graphic Design (Diploma)	■ Music Performance
■ Building Design	■ Human Resources	■ Professional Writing and Editing
■ Building Surveying	■ Information Technology	■ Purchasing
■ Building and Construction	■ Information Technology (Network Security)	■ Screen and Media-Games Development
■ Children's Services	■ Information Technology (Website Development)	■ Sound Production
■ Community Services	■ Interactive Digital Media	■ Specialist Make-up Services
■ Computer Systems	■ Legal Practice	■ Sport Development
■ Electrical	■ Liberal Arts	■ Visual Art
■ Engineering - Civil	■ Library and Information Services	■ Welfare Studies
■ Engineering - Mechanical/Manufacturing	■ Logistics (Certificate IV)	■ Youth Work
■ Fitness

Accounting

Advance TAFE: Accounting.

Australian Catholic University: Accounting and Finance.

Box Hill Institute of TAFE: Accounting.

Charles Sturt University: Accounting.

Chisholm Institute: Accounting.

CQUniversity: Accounting.

Gordon (The) : Accounting.

Goulburn Ovens Institute of TAFE: Accounting.

Holmes Institute: Accounting, Professional Accounting.

Holmesglen: Accounting, Accounting (Degree).

Kangan Institute: Accounting.

La Trobe University: Accounting, Accounting (Business), Accounting and Finance, Accounting/Economics, Accounting/Finance, Law/Accounting.

Monash University: Accounting , Accounting (Business), Accounting/Banking and Finance, Accounting/Management, Arts/Accounting.

Northern Melbourne Institute of TAFE: Accounting, Accounting (Degree, Associate Degree).

RMIT University: Accounting.

Sunraysia Institute of TAFE: Accounting.

Swinburne University of Technology: Accounting, Bookkeeping.

Victoria University: Accounting.

Advertising

Grenadi School of Design: Advertising and Graphic Design.

RMIT University: Advertising.

Swinburne University of Technology: Advertising (Business), Advertising (Communication).

Aerospace Engineering

Monash University: Aerospace Engineering (Honours), Aerospace Engineering (Honours)/Arts, Aerospace Engineering (Honours)/Law, Aerospace Engineering (Honours)/Science, Commerce/Aerospace Engineering (Honours).

RMIT University: Aviation, Engineering-Aerospace, Engineering-Aerospace/Business Management.

Aerospace Engineering and Technology

Moorabbin Flying Services: Aviation.

Swinburne University of Technology: Aviation.

Agricultural Science

La Trobe University: Agricultural Sciences, Agricultural Sciences/Business, Agricultural Sciences/International Development.

Agriculture

Advance TAFE: Organic Farming.

La Trobe University: Animal and Veterinary Biosciences.

Wodonga Institute of TAFE: Agriculture.

Agriculture, Environmental and Related Studies

Advance TAFE: Conservation and Land Management.

Bendigo TAFE: Conservation and Land Management.

Box Hill Institute of TAFE: Animal Technology.

Gordon (The) : Conservation and Land Management.

Goulburn Ovens Institute of TAFE: Agriculture.

Holmesglen: Conservation and Land Management/Sustainability.

Northern Melbourne Institute of TAFE: Conservation and Land Management.

RMIT University: Conservation and Land Management.

Sunraysia Institute of TAFE: Conservation and Land Management, Sustainable Operations.

Swinburne University of Technology: Conservation and Land Management, Horticulture.

University Of Ballarat: Conservation and Land Management.

University Of Melbourne (The): Agriculture , General Studies.

Victoria University: Science-Alternative Entry, Science-Biotechnology, Chemistry or Environmental Management.

Aircraft Operation

RMIT University: Aviation (Pilot), Aviation (Professional Pilots) (Associate Degree), Aviation/Business Management.

Swinburne University of Technology: Aviation Management/Business, Aviation/Business.

Animal Husbandry

Northern Melbourne Institute of TAFE: Equine Studies (Degree, Associate Degree).

Sunraysia Institute of TAFE: Animal Studies, Equine.

Aquaculture

Australian Maritime College: Aquaculture.

Archaeology

La Trobe University: Archaeology.

William Angliss Institute of TAFE: Food Science and Technology.

Architecture

Bendigo TAFE: Building Design (Architectural).

Deakin University: Architecture, Architecture/Construction Management.

Monash University: Architecture, Architecture Scholars program, Engineering (Honours)/Architectural Design.

RMIT University: Architecture, Building Design.

Architecture and Building

Deakin University: Architectural Technology.

University Of Melbourne (The): Environments, Environments (Chancellor's Scholars Program).

Architecture and Urban Environment

Oceania Polytechnic Institute of Education: Residential Drafting.

RMIT University: Engineering-Mechanical/Industrial Design, Engineering-Sustainable Systems/Industrial Design, Industrial Design.

Swinburne University of Technology: Design (Interior Architecture).

Audio Visual Studies

Box Hill Institute of TAFE: Screen and Media (Broadcast Television).

Deakin University: Film and Digital Media, Film and Television.

Holmesglen: Screen and Media (Radio and TV).

RMIT University: Audiovisual Technology.

SAE Institute: Audio Production (Diploma).

Swinburne University of Technology: Film and Television, Film and Television (Animation), Screen and Media (Film and Television).

University Of Melbourne (The): Fine Arts (Film and Television).

Audiology

La Trobe University: Health Sciences/Clinical Audiology.

Australian Indigenous Languages

Victoria University: Kynandoo (Indigenous Studies).

Automotive Engineering

RMIT University: Engineering-Automotive, Engineering-Automotive/Business Management.

Automotive Engineering and Technology

Wodonga Institute of TAFE: Motorsport.

Automotive Vehicle Operations

Victorian Institute of Technology: Automotive Mechanical Technology.

B

Baking and Pastrymaking

Box Hill Institute of TAFE: Patisserie.

Holmesglen: Hospitality (Patisserie).

Northern Melbourne Institute of TAFE: Patisserie.

William Angliss Institute of TAFE: Advanced Baking, Commercial Cookery, Patisserie.

Banking and Finance

Australian Catholic University: Accounting and Finance.

Box Hill Institute of TAFE: Bookkeeping.

Holmesglen: Banking Services.

La Trobe University: Accounting/Finance, Finance, Law/Finance.

Monash University: Accounting/Banking and Finance, Arts/Banking and Finance, Banking and Finance.

RMIT University: Financial Services.

Swinburne University of Technology: Finance.

Victoria University: Banking and Finance.

Banking, Finance and Related Fields

La Trobe University: Accounting and Finance, Financial Services.

Monash University: Accounting and Finance, Finance and Investment.

Beauty Therapy

Box Hill Institute of TAFE: Beauty Therapy.

Chisholm Institute: Beauty Therapy.

Elly Lukas Beauty Therapy College: Beauty Therapy.

Gordon (The) : Beauty Therapy.

Grenadi School of Design: Beauty Therapy.

Northern Melbourne Institute of TAFE: Beauty Therapy.

University Of Ballarat: Beauty Therapy.

Victoria University: Beauty Therapy, Specialist Make-up Services.

Behavioural Science

Australian College of Applied Psychology: Applied Social Science, Psychological Science.

La Trobe University: Law/Psychological Science.

Biochemistry and Cell Biology

Swinburne University of Technology: Commercial Law.

Biological Sciences

Box Hill Institute of TAFE: Biotechnology (Associate Degree).

Deakin University: Biological Science.

La Trobe University: Biological Sciences (Advanced Science).

RMIT University: Biotechnology, Biotechnology/Biomedical Science, Engineering-Chemical/Biotechnology, Engineering-Chemical/Pharmaceutical Science, Engineering-Mechanical/Biotechnology, Pharmaceutical Sciences.

Swinburne University of Technology: Engineering (Biomedical).

Biomedical Engineering

Deakin University: Engineering Science-Medical Technology, Engineering Science-Sports Technology.

RMIT University: Engineering-Biomedical.

Swinburne University of Technology: Engineering (Biomedical).

Building Services Engineering

Victoria University: Engineering-Building Engineering.

Building

Box Hill Institute of TAFE: Building and Construction, Building Design.

Chisholm Institute: Building and Construction, Building Design.

Gordon (The) : Building and Construction, Building Design.

Holmesglen: Building and Construction (Building), Building Design.

Northern Melbourne Institute of TAFE: Building and Construction, Building Design.

Swinburne University of Technology: Building and Construction.

University Of Ballarat: Building Design.

Victoria University: Building and Construction, Building Design, Building Surveying.

Wodonga Institute of TAFE: Building Design.

Building Construction Economics

Holmesglen: Construction Management and Economics (Degree).

RMIT University: Building and Construction.

Building Construction Management

Deakin University: Architecture/Construction Management, Construction Management.

Kangan Institute: Building and Construction, Building and Construction/Sustainability.

RMIT University: Construction Management.

Sunraysia Institute of TAFE: Building.

Swinburne University of Technology: Building Design.

Building Science and Technology

Oceania Polytechnic Institute of Education: Architectural Building Design.

Building Surveying

Gordon (The) : Building Surveying.

Holmesglen: Building Surveying, Building Surveying (Degree).

Northern Melbourne Institute of TAFE: Building Surveying.

RMIT University: Surveying.

University Of Ballarat: Building Surveying.

Victoria University: Technology-Building Surveying.

Business and Commercial Law

Monash University: Business Law.

Business and Management

Australian Catholic University: Commerce, Commerce/Business Administration, Commerce/Global Studies.

Australian Maritime College: Maritime and Logistics Management (Associate Degree), Maritime and Logistics Management (Degree).

Box Hill Institute of TAFE: Business.

Charles Sturt University: Business Studies.

Chisholm Institute: Administration.

Deakin University: Business (Sport Management), Exercise and Sport Science/Business (Sport Management), Management.

GippsTAFE - Central Gippsland Institute of TAFE: Business Administration.

Grenadi School of Design: Business.

Holmesglen: Administration, Business Administration (Degree).

Kangan Institute: Business Administration.

La Trobe University: Accounting (Business), Accounting/Information Technology, Business (Sport Development and Management), Sport Management.

Melbourne Institute of Business and Technology: Commerce.

Melbourne Institute of Technology: Business.

Monash College: Business (Business stream).

Monash University: Arts and Social Sciences/Business and Commerce, Arts/Commerce, Arts/Commerce Scholars program, Biomedical Science/Commerce, Business (Psychology), Business and Commerce, Commerce, Commerce Scholars Program, Commerce/Economics, Commerce/Education (Secondary), Commerce/Engineering (Honours), Commerce/Law, Commerce/Science, Journalism/Business, Music/Commerce.

Northern Melbourne Institute of TAFE: Business (Degree, Associate Degree).

RMIT University: Accountancy (Professional), Administration, Business, Entrepreneurship.

Swinburne University of Technology: Accounting and Finance, Business (Dean's Scholarship), Business (UniLink), Business Administration, Business Administration (Associate Degree), Business Information Systems, Business Information Systems/Business, Italian, Liberal Arts.

University Of Ballarat: Business, Commerce, Commerce/Management, Sport Management/Business.

Victoria University: Event Management, International Studies/Business, Legal Practice, Management and Information Systems, Music Industry.

William Angliss Institute of TAFE: Resort Management (Specialising in Spa and Wellness).

Business Management

Advance TAFE: Business.

Australian Catholic University: Arts/Commerce, Business Administration, Business Administration/Global Studies, Business Administration/Laws, Commerce/Business Administration, Exercise Science/Business Administration, Nursing/Business Administration.

Box Hill Institute of TAFE: Management.

Charles Sturt University: Management.

CQUniversity: Business, Management.

Holmes Institute: Business, Management.

Holmesglen: Events/Management, Executive Administration (Degree), Management, Travel and Tourism (Guiding).

Kangan Institute: Building and Construction/Sustainability, Management-Human Resources, Management-Marketing, Management-Sustainability.

La Trobe Melbourne: Business.

La Trobe University: Business, Law/Business.

Melbourne Institute of Business and Technology: Management.

Melbourne Institute of Technology: Business (Degree).

Monash University: Arts/Business, Arts/Management, Civil and Environmental Engineering (Honours)/Business and Commerce, Commerce/Aerospace Engineering (Honours), Journalism/Commerce.

RMIT University: Aviation/Business Management, Chemistry/Business Management, Economics and Finance (Applied), Engineering-Aerospace/Business Management, Engineering-Automotive/Business Management, Engineering-Chemical/Business Management, Engineering-Civil and Infrastructure/Business Management, Engineering-Computer and Network/Business Management, Engineering-Electrical and Electronic/Business Management, Engineering-Electrical/Business Management, Engineering-Mechanical/Business Management, Engineering-Sustainable Systems/Business Management, Environmental Science/Business Management, Food Technology/Business Management, Management, Science (Applied Science)/Business Management.

Swinburne University of Technology: Business, Business (Vice-Chancellor's Scholarship), Business Administration, Business Administration (Business), Business/Communication, Business/Social Science, Design (Communication Design)/Business, Italian/Commerce, Japanese, Japanese/Commerce, Management.

University Of Ballarat: Management, Sport Management/Business.

Victoria University: Administration, Business Administration, Business-Enterprise (Diploma), Law/Business, Legal Practice Management, Management, Psychological Studies/Business, Sport and Recreation Management/Business.

Victorian Institute of Technology: Business.

C

Cabinet Making

Holmesglen: Furniture Design and Technology.

Sunraysia Institute of TAFE: Furniture Making (Non-apprentice).

Care for the Disabled

Advance TAFE: Education Support.

Carpentry and joinery

Sunraysia Institute of TAFE: Carpentry (Non-apprentice).

Chemical Engineering

RMIT University: Chemistry/Engineering-Chemical, Engineering-Chemical, Engineering-Chemical/Biotechnology, Engineering-Chemical/Business Management, Engineering-Chemical/Pharmaceutical Science, Food Technology/Engineering-Chemical.

Chemical Sciences

La Trobe University: Medicinal Chemistry.

Monash University: Biomedical Science/Engineering (Honours), Biomedical Science/Law.

RMIT University: Chemistry/Business Management, Chemistry/Engineering-Chemical.

Children's Services

Advance TAFE: Children's Services.

Box Hill Institute of TAFE: Children's Services (Early Childhood Education and Care).

Chisholm Institute: Children's Services.

Sunraysia Institute of TAFE: Children's Services.

Swinburne University of Technology: Children's Services.

University Of Ballarat: Children's Services.

Victoria University: Children's Services.

Chiropractic and Osteopathy

RMIT University: Chiropractic/Health Science, Osteopathy/Health Science.

Victoria University: Osteopathy.

Civil Engineering

Box Hill Institute of TAFE: Engineering-Civil.

Deakin University: Engineering (Civil).

La Trobe University: Civil Engineering (Honours), Civil Engineering (Honours)/Business, Civil Engineering (Honours)/Science.

Melbourne Institute of Business and Technology: Engineering.

Monash University: Civil and Environmental Engineering (Honours), Civil and Environmental Engineering (Honours)/Business and Commerce.

Northern Melbourne Institute of TAFE: Engineering-Civil.

RMIT University: Engineering Technology-Civil, Engineering-Civil and Infrastructure, Engineering-Civil and Infrastructure/Business Management.

Swinburne University of Technology: Engineering (Civil), Engineering (Civil)/Business.

Victoria University: Engineering-Architectural Engineering, Engineering-Civil, Engineering-Civil Engineering.

Communication and Media Studies

Academy of Interactive Entertainment: Screen Art (Animation).

Australian Catholic University: Media Communication.

Bendigo TAFE: Interactive Digital Media, Sound Production.

Box Hill Institute of TAFE: Sound Production.

Chisholm Institute: Interactive Media Design, Multimedia/Web Design.

CQUniversity: Multimedia Studies.

Deakin University: Media and Communication.

Holmesglen: Screen and Media (Animation).

Kangan Institute: Screen and Media.

La Trobe Melbourne: Mass Media and Communications.

La Trobe University: Media.

Melbourne Institute of Business and Technology: Media and Communication.

Monash University: Arts and Social Sciences/Visual and Media Arts.

RMIT University: Advertising, Interactive Digital Media, Media, Professional Communication, Screen and Media (Film and Television Production), Screen and Media (Television Production), Screenwriting.

SAE Institute: Sound Production.

Sunraysia Institute of TAFE: Interactive Digital Media.

Swinburne University of Technology: Advertising (Communication), Communication, Communications (Vice-Chancellor's Scholarship), Media and Communication, Media Studies (Communication), Media Studies (Social Science), Public Relations (Communication), Screen and Media (Broadcast Journalism).

Victoria University: Communication (Digital Media), Communication (Professional Writing), Communication (Public Relations), Interactive Digital Media, Interactive Media, Screen and Media-Games Development.

Victorian Institute of Technology: Interactive Digital Media.

Wodonga Institute of TAFE: Sound Production.

Communications Equipment Installation and Maintenance

Melbourne Institute of Technology: Engineering Technology (Telecommunications).

Communications Technologies

Deakin University: Mobile and Apps Development.

RMIT University: Telecommunications.

Community Health

Australian Catholic University: Applied Public Health, Exercise Science/Public Health.

Swinburne University of Technology: Health (Community), Health and Community Care.

Community Nursing

Monash University: Nursing (Community Health).

Complementary Therapies

Australian College of Sports Therapy: Myotherapy (Advanced Diploma), Remedial Massage (Certificate IV), Remedial Massage (Diploma), Sports Therapy.

Holmesglen: Massage/Myotherapy.

Northern Melbourne Institute of TAFE: Aromatherapy, Massage/Myotherapy.

RMIT University: Remedial Massage and Myotherapy.

Southern School of Natural Therapies: Clinical Myotherapy, Diploma of Health Science, Naturopathy, Nutritional Medicine, Western Herbal Medicine.

Computer Engineering

RMIT University: Computer Systems, Engineering-Computer and Network/Business Management, Engineering-Computer and Network/Computer Science.

Computer Graphics

Academy of Interactive Entertainment: Game Art (Animation).

RMIT University: Games and Graphics Programming.

Computer Science

Australian Catholic University: Information Technology.

Chisholm Institute: Digital Media Technologies Game Development (Digital Media Technologies/Information Technology).

CQUniversity: Information Technology.

Deakin University: Computer Science and Software Development, Games Design and Development, Mobile and Apps Development.

Kangan Institute: Computer Systems Engineering, Information Technology Networking.

La Trobe University: Computer Systems Engineering (Honours), Information Technology (Professional).

Monash University: Computer Science, Informatics and Computation Advanced (Honours), Software Engineering.

RMIT University: Computer Science, Computing Studies, Engineering–Computer and Network/Computer Science, Engineering–Electronic and Communication/Computer Science, Software Engineering.

Swinburne University of Technology: Computer Science, Digital and Interactive Games, Digital Media Technologies, Digital Media Technologies, Engineering (Electronics and Computer Systems), Games and Interactivity/Computer Science, Information and Communication Technology, Software Engineering.

Construction Engineering

University Of Ballarat: Civil Engineering, Civil Engineering Technology.

Cookery

Box Hill Institute of TAFE: Commercial Cookery.

Chisholm Institute: Commercial Cookery.

Holmes Institute: Commercial Cookery.

Holmesglen: Hospitality (Commercial Cookery).

Northern Melbourne Institute of TAFE: Commercial Cookery.

Victorian Institute of Technology: Commercial Cookery.

Counselling

Northern Melbourne Institute of TAFE: Mediation.

Crafts

Holmesglen: Visual Arts.

Creative Arts

Academy of Design Australia: Communication Design, Fashion & Costume Design.

Australian Catholic University: Creative Arts.

Australian College of the Arts: Creative Industries Management.

Box Hill Institute of TAFE: Professional Writing and Editing.

Chisholm Institute: Creative Product Development, Illustration, Screen and Media (Video/Animation).

Deakin University: Visual Communication Design.

Footscray City Films / Footscray City College: Film and Television Production.

Goulburn Ovens Institute of TAFE: Media Games Development.

Holmesglen: Animation–Screen Production (Degree), Ceramics, Live Production, Theatre and Events, Professional Writing and Editing.

La Trobe University: Creative Arts.

Northern Melbourne Institute of TAFE: Illustration, Interior Design and Decoration, Writing and Publishing (Degree, Associate Degree).

Sunraysia Institute of TAFE: Sound Production.

Swinburne University of Technology: Screen and Media (Digital Media Design).

University Of Ballarat: Arts/Professional Writing.

University Of Melbourne (The): Fine Arts (Animation), Fine Arts (Contemporary Music), Fine Arts (Dance), Fine Arts (Film and Television), Fine Arts (Production), Fine Arts (Screenwriting).

Victoria University: Creative Arts Industries, Creative Industries (Diploma).

William Angliss Institute of TAFE: Events.

Wodonga Institute of TAFE: Visual Merchandising.

Criminal Law

Navitas College of Public Safety: Criminal Justice.

Criminology

Deakin University: Criminology, Criminology/IT Security, Criminology/Law, Criminology/Psychological Science, Forensic Science/Criminology.

RMIT University: Criminology and Psychology.

Swinburne University of Technology: Criminology and Forensic Science.

Curriculum Studies

University Of Ballarat: Engineering–Mechanical.

D

Dance

Box Hill Institute of TAFE: Dance Teaching and Management.

Deakin University: Dance.

University Of Melbourne (The): Fine Arts (Dance).

Database Management

Box Hill Institute of TAFE: Information Technology.

Swinburne University of Technology: Website Development.

Decision Support Systems

Box Hill Institute of TAFE: Information Technology (Software Development).

La Trobe University: Business Information Systems.

Dental Assisting

University Of Melbourne (The): Oral Health.

Dental Studies

La Trobe University: Oral Health Science.

Dental Technology

Charles Sturt University: Oral Health (Therapy/Hygiene).

Holmesglen: Dental Technology.

RMIT University: Dental Technology.

Dentistry

La Trobe University: Health Sciences in Dentistry/Dentistry.

Drama and Theatre Studies

Deakin University: Drama.

Goulburn Ovens Institute of TAFE: Acting, Theatre, Theatre, Arts Workers.

Holmesglen: Screen and Media (Live Action).

Monash University: Music/Performing Arts, Performing Arts.

Northern Melbourne Institute of TAFE: Live Production (Theatre and Events).

University Of Ballarat: Acting.

University Of Melbourne (The): Fine Arts (Music Theatre), Fine Arts (Theatre Practice).

E

Eastern Asian Languages

Deakin University: Chinese/Commerce.

Swinburne University of Technology: Japanese/Commerce.

Economics

La Trobe University: Accounting/Economics, Arts/Economics, Economics, Law/Economics, Politics, Philosophy and Economics.

Monash University: Arts/Economics, Commerce Scholars Program/Economics, Commerce/Economics, Economics, Economics Advanced with Honours.

Education

La Trobe University: Outdoor Recreation Education.

Monash University: Education (Early Childhood/Primary).

Northern Melbourne Institute of TAFE: Tertiary Studies (Diploma).

University Of Ballarat: Mathematical Sciences/Education.

Victoria University: Physical Education (Secondary).

Education Studies

GippsTAFE - Central Gippsland Institute of TAFE: Education Support.

Victoria University: Education Studies (Diploma).

Electrical and Electronic Engineering and Technology

Box Hill Institute of TAFE: Telecommunications.

Chisholm Institute: Renewable Energy Technology.

Deakin University: Engineering–Electrical and Electronics.

RMIT University: Engineering–Computer and Network, Engineering–Electrical and Electronic, Engineering–Electrical and Electronic/Business Management, Engineering–Electrical and Electronic/Entrepreneurship, Engineering–Electrical and Electronic/International Business, Engineering–Electronic and Communication, Physics/Engineering–Electronic and Communication.

Sunraysia Institute of TAFE: Electrotechnology (Career Start).

Swinburne University of Technology: Engineering (Electrical and Electronic), Engineering (Electrical and Electronic)/Business, Engineering (Electronics and Computer Systems), Renewable Energy Technology.

Victoria University: Electrical.

Electrical Engineering

Monash University: Computer Systems Engineering (Honours).

RMIT University: Engineering Technology–Electrical, Engineering–Electrical, Engineering–Electrical/Business Management, Engineering–Electrical/Commerce.

Swinburne University of Technology: Electrical.

Victoria University: Engineering–Electrical and Electronic Engineering.

Electronic Engineering

Chisholm Institute: Electronics.

La Trobe University: Computer Science (Honours)/Electronic Engineering (Honours), Electronic Engineering (Honours), Electronic Technology.

RMIT University: Electronics, Engineering–Electronic and Communication/Computer Science, Engineering–Electronic Product Design.

Swinburne University of Technology: Electronics, Engineering (Electronics and Computer Systems)/Business, Engineering

(Electronics and Computer Systems)/Computer Science.

Victoria University: Engineering–Electrical and Electronic Engineering.

Engineering and Related Technologies

Academy of Interactive Entertainment: Game Programming.

Australian Maritime College: Marine Environment.

Bendigo TAFE: Engineering–Technical.

Chisholm Institute: Engineering–Advanced Manufacturing.

Deakin University: Global Science and Technology Program.

La Trobe University: Mechatronic and Robotic Engineering (Honours).

Monash College: Engineering Studies.

Monash University: Biomedical Science/Engineering (Honours), Commerce/Engineering (Honours), Engineering (Honours), Engineering (Honours)/Architectural Design, Engineering (Honours)/Arts, Engineering (Honours)/Industrial Design, Engineering (Honours)/Law, Engineering (Honours)/Pharmaceutical Science, Science/Engineering (Honours), Software Engineering.

RMIT University: Engineering–Civil/Mechanical/Electrical/Computer (Associate Degree).

Swinburne University of Technology: Engineering (Associate Degree), Engineering (Dean's Scholarship), Engineering (Mechanical/Manufacturing), Engineering (Product Design), Engineering (Robotics and Mechatronics), Engineering (Robotics and Mechatronics)/Business, Engineering (Robotics and Mechatronics)/Computer Science, Engineering (Telecommunication and Network), Engineering (Telecommunication and Network)/Business, Engineering (Telecommunication and Network)/Computer Science, Engineering (UniLink), Engineering (Vice-Chancellor's Scholarship).

University Of Melbourne (The): Environments, Science.

Victoria University: Computer Systems, Engineering Science–Electrical and Electronic Engineering, Engineering Science–Sports Engineering, Engineering–Alternative Entry.

Wodonga Institute of TAFE: Engineering–Mechanical/Manufacturing.

English Language

Monash University: English Language.

Environmental Engineering

Monash University: Environmental Engineering (Honours), Environmental Engineering (Honours)/Arts, Environmental Engineering (Honours)/Commerce, Environmental Engineering (Honours)/Science.

RMIT University: Engineering–Environmental, Environmental Science/Engineering–Environmental.

Environmental Health

Swinburne University of Technology: Health Science (Public and Environmental).

Environmental Studies

Charles Sturt University: Environmental Science and Management.

Deakin University: Environmental Management and Sustainability, Wildlife and Conservation Biology.

La Trobe University: Urban, Rural and Environmental Planning.

Monash University: Environmental Science.

RMIT University: Environment/Environmental Science, Environmental Science, Environmental Science/Business Management, Environmental Science/Engineering–Environmental.

Sunraysia Institute of TAFE: Environmental Monitoring and Technology.

University Of Ballarat: Environmental Management.

University Of Melbourne (The): Environments (Chancellor’s Scholars Program).

Wodonga Institute of TAFE: Sustainability.

F

Farm Management and Agri-business

Gordon (The) : Travel and Tourism/ Sustainability.

Fashion Design

Box Hill Institute of TAFE: Fashion Design, Fashion Design (Degree).

Gordon (The) : Fashion and Textile Merchandising, Fashion Design.

Holmes Institute: Fashion and Business.

Holmesglen: Fashion Design, Fashion Design (Degree).

Kangan Institute: Fashion and Textiles Merchandising (Fashion Buyer), Fashion Design.

RMIT University: Fashion Design, Fashion Design (Associate Degree).

Fine Arts

Academy of Design Australia: Visual Arts.

La Trobe University: Visual Arts.

Monash University: Arts/Visual Arts, Fine Art, Performing Arts/Law, Visual and Media Arts.

RMIT University: Fine Art (Expanded Studio Practice), Fine Art (Object based Practice), Fine Art (Print Imaging Practice), Fine Art (Sculpture, Sound and Spatial Practice).

University Of Melbourne (The): Fine Arts (Visual Art).

Fisheries Studies

Deakin University: Fisheries and Aquaculture.

Food and Hospitality

Chisholm Institute: Patisserie.

Holmesglen: Hospitality, Hospitality Management (Degree).

University Of Ballarat: Food Science and Technology.

William Angliss Institute of TAFE: Culinary Management (Degree).

Food Science and Biotechnology

Box Hill Institute of TAFE: Biotechnology and Innovation (Degree).

Deakin University: Food and Nutrition Sciences.

Gordon (The) : Laboratory Technology (Biotechnology).

Monash University: Biotechnology.

RMIT University: Food Technology and Nutrition, Food Technology/Business Management, Food Technology/Engineering–Chemical.

University Of Ballarat: Food and Nutritional Sciences.

Victoria University: Nutrition, Food and Health Sciences.

Forensic Science

Deakin University: Forensic Science, Forensic Science/Criminology.

Swinburne University of Technology: Criminology and Forensic Science, Psychology and Forensic Science (Arts), Psychology and Forensic Science (Social Science).

Formal Language Theory

La Trobe University: Computer Science, Computer Science (Honours)/Electronic Engineering (Honours), Computer Science in Games Technology, Computer Science/Accounting.

G

Garment Making

RMIT University: Fashion Technology–Advanced.

General Medicine

Monash University: Medicine/Surgery, Medicine/Surgery (CSP Bonded).

General Nursing

Advance TAFE: Nursing.

Australian Catholic University: Nursing, Nursing/Business Administration, Nursing/Paramedicine .

Charles Sturt University: Nursing.

CQUniversity: Nursing.

Deakin University: Nursing, Nursing/Midwifery, Nursing/Psychological Science, Nursing/Public Health and Health Promotion.

GippsTAFE - Central Gippsland Institute of TAFE: Nursing.

Goulburn Ovens Institute of TAFE: Nursing.

Holmesglen: Nursing (Degree), Nursing (Enrolled Nursing).

La Trobe University: Nursing, Nursing (Division 2 Nurses–Conversion), Nursing (graduate entry–2 years), Nursing/Midwifery.

Monash University: Nursing, Nursing Practice, Nursing/Emergency Health, Nursing/Midwifery.

RMIT University: Nursing, Nursing–Enrolled Nurse entry, Nursing–Health Professional.

Sunraysia Institute of TAFE: Nursing (Enrolled/Division 2).

University Of Ballarat: Nursing.

Victoria University: Nursing.

Glazing Painting, Decorating and Sign Writing

Northern Melbourne Institute of TAFE: Interior Decoration (Retail).

RMIT University: Interior Design and Decoration.

Graphic and Design Studies

Academy of Design Australia: Graphic & Digital Design.

Academy of Interactive Entertainment: Game Art (Animation).

Box Hill Institute of TAFE: Design.

Grenadi School of Design: Design.

Holmesglen: Design.

Monash College: Art and Design Studies.

Monash University: Interior Architecture.

Music (Degree).

Box Hill Institute of TAFE: Music Audio
Production (Degree), Music Business, Music
Business (Degree), Music Composition
(Degree), Music Performance (Advanced
Diploma), Music Performance (Certificate
IV), Music Performance (Degree), Music
Performance (Diploma), Music Performance
(Sound Production).

Monash University: Arts/Music, Music,
Music/Commerce, Music/Education
(Secondary), Music/Law, Music/Performing
Arts.

Northern Melbourne Institute of TAFE:
Music (Degree, Associate Degree), Music
(Foundation), Music Industry (Business),
Music Industry (Degree, Associate Degree),
Music Performance, Sound Production
(Music Technology and Production).

RMIT University: Sound Production.

University Of Ballarat: Music Theatre.

University Of Melbourne (The): Fine Arts
(Contemporary Music), Fine Arts (Music
Theatre), Music, Music (Chancellor's Scholars
Program).

Victoria University: Music, Music
Performance.

N

Natural and Physical Sciences

Box Hill Institute of TAFE: Laboratory
Technology.

Chisholm Institute: Science.

Deakin University: Arts/Science,
Commerce/Science, Global Science and
Technology Program, Information Systems/
Science, Law/Science, Science, Teaching–
Science/Science.

Holmesglen: Science.

La Trobe Melbourne: Bioscience.

La Trobe University: Arts/Science,
Bioscience, Civil Engineering (Honours)/
Science, Law/Science, Nanotechnology/
Science, Science, Science (Applications in
Society), Science (Honours)/Nanotechnology,
Science Double Degree Program, Science/
Accounting, Science/Science Education.

**Melbourne Institute of Business and
Technology:** Science.

Monash University: Aerospace Engineering
(Honours)/Science, Arts (Global)/Science,
Arts/Science, Biomedical Science (Scholar
Program), Biomedical Science Advanced with
Honours, Biomedical Science/Commerce,
Biotechnology (Science), Commerce/
Science, Environmental Engineering
(Honours)/Science, Journalism/Science,

Mechatronics Engineering (Honours)/
Science, Science, Science/Computer
Science, Science/Education (Primary),
Science/Education (Secondary), Science/
Engineering (Honours), Science/Law,
Veterinary Bioscience.

Northern Melbourne Institute of TAFE:
Animal Care and Management.

RMIT University: Nanotechnology/Applied
Sciences, Science (Applied Science)/
Business Management, Science (Applied
Sciences), Science (Associate Degree),
Science–Dean's Scholar Program.

Swinburne University of Technology:
Commercial Law, Science, Science (Dean's
Scholarship), Science (Vice-Chancellor's
Scholarship).

University Of Ballarat: Biomedical Science,
Geology, Science, Science/Education.

University Of Melbourne (The): Agriculture
, Biomedicine, Biomedicine (Chancellor's
Scholars Program), General Studies, Science,
Science (Chancellor's Scholars Program).

Victoria University: Science/Psychological
Studies, Science–Alternative Entry, Science–
Biotechnology, Chemistry or Environmental
Management.

Naturopathy

Holmesglen: Naturopathy.

Southern School of Natural Therapies:
Naturopathy.

Networks and Communications

Gordon (The) : Information Technology
(Networking).

Melbourne Institute of Technology:
Networking, Networking (Degree).

Swinburne University of Technology:
Information and Communication Technology
(Applied), Information Technology
Networking, Network Design and Security.

Victoria University: Information Technology–
Network and Systems Computing.

Victorian Institute of Technology:
Information Technology (Networking).

Nursing

**GippsTAFE - Central Gippsland Institute of
TAFE:** Disability.

La Trobe University: Nursing, Nursing
(Division 2 Nurses–Conversion), Nursing
(graduate entry–2 years).

Monash University: Diploma of Tertiary
Studies–Nursing.

Victoria University: Gateway to Nursing
(Health Science Foundations).

Nutrition and Dietetics

La Trobe University: Health Sciences/
Dietetic Practice, Human Nutrition.

Monash University: Nutrition and Dietetics,
Nutrition Science.

Southern School of Natural Therapies:
Nutritional Medicine.

Victoria University: Nutritional Therapy.

O

Occupational Therapy

Australian Catholic University: Occupational
Therapy (Pass and Honours).

Charles Sturt University: Occupational
Therapy.

Deakin University: Occupational Therapy.

La Trobe University: Health Sciences/
Occupational Therapy Practice.

Monash University: Occupational Therapy.

Ocean Engineering

Australian Maritime College: Engineering–Ocean.

Optometry

Deakin University: Optometry.

Organisation Management

La Trobe University: Leadership and Management.

Other Creative Arts

Wodonga Institute of TAFE: Applied Fashion Design and Technology.

Other Health

Southern School of Natural Therapies: Western Herbal Medicine.

Other Management and Commerce

CQUniversity: Project Management.

Other Natural and Physical Sciences

Monash University: Science Advanced with Honours.

P

Paramedical Studies

Australian Catholic University: Nursing/Paramedicine , Paramedicine.

La Trobe University: Paramedic Practice/ Public Health Promotion.

Monash University: Emergency Health (Paramedic).

Victoria University: Paramedic.

Performing Arts

Australian College of the Arts: Audio Production.

Box Hill Institute of TAFE: Live Production, Theatre and Events.

Chisholm Institute: Make-up.

Gordon (The) : Make-up.

Northern Melbourne Institute of TAFE: Sound Production (Audio Engineering).

RMIT University: Music Industry.

University Of Ballarat: Live Production, Theatre and Events.

Victoria University: Sound Production.

Personal Management Training

Kangan Institute: Management–Sustainability.

Pharmacology

Monash University: Engineering (Honours)/Pharmaceutical Science.

Pharmacy

La Trobe University: Pharmacy.

Monash University: Pharmaceutical Science, Pharmaceutical Science Advanced with Honours, Pharmacy, Pharmacy Scholars program, Pharmacy/Commerce.

RMIT University: Pharmacy.

Photography

Academy of Design Australia: Filmmaking & Photography.

Chisholm Institute: Photo Imaging.

Deakin University: Photography.

Holmesglen: Photo Imaging.

Northern Melbourne Institute of TAFE: Photography and Photoimaging.

Photographic Imaging College: Photography–Digital/Analogue/Commercial/Art.

Photography Studies College (Melbourne): Photography.

RMIT University: Photography (Arts), Photography and Photo Imaging.

Sunraysia Institute of TAFE: Photography.

Wodonga Institute of TAFE: Photography and Photoimaging.

Physics

RMIT University: Physics/Engineering–Electronic and Communication.

Physiotherapy

Charles Sturt University: Physiotherapy.

La Trobe University: Health Sciences/Physiotherapy Practice.

Monash University: Physiotherapy.

Podiatry

Charles Sturt University: Podiatry.

La Trobe University: Health Sciences/ Podiatric Practice.

Political Science

La Trobe University: International Relations, Politics, Philosophy and Economics.

Swinburne University of Technology: Security and Counter Terrorism (Arts).

Political Science and Policy Studies

Deakin University: International Studies, International Studies/Commerce.

Programming

Academy of Interactive Entertainment: Game Programming, Games and Virtual Worlds (Programming).

Qantm College: Games Programming.

Swinburne University of Technology: Games Development (Programming).

Project Management

RMIT University: Project Management.

Psychology

Australian Catholic University: Arts (Psychology), Psychology.

CQUniversity: Psychology.

Deakin University: Arts (Psychology), Criminology/Psychological Science , Nursing/Psychological Science, Psychological Science, Psychology.

La Trobe University: Psychological Science.

Monash College: Arts (Psychology Stream).

Monash University: Behavioural Science, Psychology (with Honours).

RMIT University: Psychology (Applied Science), Psychology (Social Science), Social Work/Psychology (Social Science).

Swinburne University of Technology: Psychology (Arts), Psychology (Science), Psychology (Social Science), Psychology and Psychophysiology (Arts), Psychology and Psychophysiology (Science).

University Of Ballarat: Psychology.

Victoria University: Exercise Science and Human Movement/Psychological Studies, Psychological Studies, Psychological Studies/Business, Psychology (Honours), Psychology (Science), Science/Psychological Studies.

Public Health

Australian Catholic University: Applied Public Health/Global Studies.

Box Hill Institute of TAFE: Disability.

Deakin University: Health Sciences, Nursing/ Public Health and Health Promotion, Public Health and Health Promotion/Commerce.

GippsTAFE – Central Gippsland Institute of TAFE: Health Science.
