Bonus Interest – AwardSaver, Youthsaver and GoalSaver Accounts

How to earn Bonus interest

In addition to standard interest, bonus interest is paid on:

- AwardSaver and Youthsaver accounts if you make at least one deposit to the account and have no withdrawals during a calendar month. Bonus interest received is shown separately on your account statement.
- For Youthsaver, standard interest rate applies to any portion of the balance above \$50,000.
- GoalSaver accounts if you deposit \$200 or more (excluding interest and bank initiated transactions) and make no withdrawals during a calendar month.

How does Bonus interest on AwardSaver, Youthsaver and GoalSaver accounts work?

- Deposits other than those made over the counter at one of our branches, may be processed by the Bank on the next business day. If the next business day falls in the next calendar month, the deposit is a qualifying deposit for bonus interest purposes for the new month, not the one before.
- Interest credited to the account is not a deposit.
- Bank or government fees or charges do not count as withdrawals.
- Bonus interest is calculated on the daily closing balance and credited to your account at the same time as standard interest.

¹ Interest will be paid and charged monthly or quarterly (as applicable) either on the first business day of the month, or on the first calendar day of the month, depending on the account. To find out when interest is paid and charged on your account, visit our website, call us or visit any branch.

² Commonwealth Direct Investment Accounts opened on or before 31 October 2012 will be charged quarterly where the customer has not requested migration to an alternate pricing offer. E.G. CommSec or SMSF.
