Dear Poojitha,

Congratulations on being awarded a Doxa Cadetship! Welcome to the program, we're excited to have you on board!

There are a couple of important details to be aware of that I've listed below, if you have questions though, please give me a call.

In your welcome email you'll find:

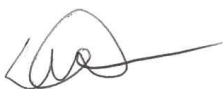

- 1 **Banking details form** – fill this in so we can get your weekly living allowance payments started.
- 2 **Cadetship Handbook** – a guide to offer you an overview of the Cadetship Program and the other programs which sit alongside it in Doxa.
- 3 **Consent Media Release Form** – often Doxa shares photos of camp, stories to encourage companies and people to support the programs and achievements of students.

Important dates to add to your diary (these events are a must for your cadetship):

- **Wednesday 19 April (Induction and Graduation Evening)**
- **Friday 5 – Sunday 7 May (residential camp)**
- **Networking Evening (date TBA)** – Students are trained with networking skills and then released into a networking hall to practice their new skills with industry representatives and supporters of Doxa.

We all look forward to getting to know you better! If you have any further questions please don't hesitate to send me an email or give me a call.

Speak with you soon,

Lauren McCarthy
